Please attribute to a spokesperson for the Families and Community and Services Minister Jenny Macklin

The Government has been clear that we want all clubs in the ACT to participate in the trial. All clubs in the ACT will be offered the same financial assistance.

The offer makes it clear that no club can use trial funding for political donations.

Clubs will have to account for the money they receive and this will be subject to an independent financial audit.

Background

There is also currently legislation before the ACT Legislative Assembly to limit political donations, including from clubs, to \$7,000 a year.
