Service Delivery and Indicators

Project Assistant and steering committee meet consistently to further develop the ongoing commitment to the Women of the Murdi Paaki and collaborate further workshop / training to enhance the women's leadership through emotional / physical wellbeing in order for the women to continue to be leaders and champion's for children within their community.

Project Assistant continues to support the Women through phone, internet & community visits. Women of the Murdi Paaki are included in the various decision making programs / workshops that would be delivered in their communities.

s 47G - business

the

Steering Committee decided that Mr Powell's services were no longer required and the unspent balance of the funding received from FaCHSIA would be utilized to undertake other programs such as Love Bites, Life Line - Remote support, Nutrition- recipe booklet etc which is currently being negotiated within communities.

the Steering

Committee decided that Mr Powell's services were no longer required and the unspent balance of the funding received from FaCHSIA would be utilized to undertake other programs such as Love Bites, Life Line – Remote support, Nutrition- recipe booklet etc which is currently being negotiated within communities.

1. Number of reports and publications produced (4)

The Project officer has continued to present written and verbal reports to the steering committee on a monthly basis. Project Assistant also distributes emails to inform steering committee of any further updates that directly affect the project. The Project Assistant also maintains phone contact with the Steering Committee which supports the growth of the Project.

2. Number of events, workshops and forums (4)

Red Dust Healing Workshop at Wilcannia- This workshop was run over a period of 1 ½ days. Originally the Women from the Safe House wanted to drive this workshop & promote Red Dust and invite both Women & Men to attend, also offered for non Indigenous to feel welcome to attend. Overall attendance saw a mixed group of people attend.

s47G - business

There were visits to numerous communities where Project Assistant undertook informal group yarn-ups.

3. Number of people attending events, workshops and forums

Wilcannia Yarn Up

Cobar (informal)

Women are gathering for informal yarn up on a regular basis.

4. Number of research projects conducted

General phone contact and face to face visits in communities are the indicator's for this information.

5. Number of women involved in developing localised action plans

Many of the women from the previous workshops held last year are maintaining their involvement. This is either through Women's gatherings, Working parties, employment etc.

6. Positive contribution of the activities on Indigenous women's leadership, representation, safety, wellbeing and economic status

Many of the women who engaged with the Strong Women's Project are continuing to display their strengths where community issues are concerned and overall commitment to their women, families and young children.

Many of the women have found their participation with the Strong Women's Project has provided them with self esteem and self determination and many have begun to undertake further training or pursue employment options.
