### Income Management consultation radio ad

- The Department of Social Services and First Nations-owned company ETM Perspectives are visiting communities to speak to people about the future of Income Management.
- Come tell us what you think about the program.
- To find out when we are visiting, go to **[engage.dss.gov.au/incomemanagement](https://engage.dss.gov.au/incomemanagement)**

Please note, content in First Nations languages may vary slightly from the English script to ensure accurate translation.
