Barriers to service participation

The Department is interested in how services are ensuring clients are accessing and participating in programs. Please provide **at least one example** below of how you are addressing client access barriers. In completing this section, you may wish to consider Families and Children [‘Access Strategy’](#) requirements.

Participation barrier <i>Identify a barrier that is/could be impacting on clients participating in your service. How did you identify this barrier? Is this barrier stopping clients coming to the service completely, or impacting on their return to services?</i>	
Clients / client group <i>Identify a potential group of clients that are/could be facing this barrier to fully participating in your service.</i>	
Deliverable <i>What are you going to do to address this participation barrier? How could it be overcome or reduced?</i>	
Outcome <i>What outcomes do you expect to achieve as a result of the actions you will take?</i>	
Measure of success <i>What would success look like? How will you measure if your actions have had an impact? How will you quantify success?</i>	

Progress report

Please provide an update at the end of the AWP reporting period on this work for the period of 1 July 2023 – 30 June 2024.

4. Evidence base

Please note: you can create new rows in the table below if needed.

<p>Evidence source</p> <p><i>Summarise the evidence that informs your service(s). Evidence in this context means:</i></p> <ul style="list-style-type: none"> • <i>Effective interventions, strategies and practices (e.g., parent coaching) that are known to contribute to the desired service outcomes</i> • <i>Established benefits of the service type you offer (e.g., counselling, parenting programs)</i> • <i>Effective ways of working with the target group(s)</i> • <i>Practice or theoretical models that guide how you work with clients (e.g., public health approach)</i> <p><i>Sources of evidence include published research articles, evaluation findings, practice guidelines and grey literature.</i></p> <p><i>Please include references to the inclusion of culturally safe and sensitive practice and trauma informed practice.</i></p> <p><i>Include appropriate references in your summary.</i></p> <p><i>If there is no published research, acknowledge that and explain why you think the target group will benefit from attending the service. You can also explain how you will work towards incorporating evidence/research during this reporting period?</i></p>	<p>Use of evidence in service delivery</p> <p><i>Explain the links between the evidence summary and the key elements of your service such as:</i></p> <ul style="list-style-type: none"> • <i>The outcomes you are trying to achieve through the service</i> • <i>Core activities and practices delivered as part of the service</i> • <i>Strategies used in the service to engage and support the target group/s</i> <p><i>For example, if the evidence says it is good practice to role model positive behaviours in parenting programs, explain how the program does this.</i></p>	<p>Progress Report</p> <p><i>Please provide an update at the end of the AWP reporting period on this work for the period of 1 July 2023 – 30 June 2024.</i></p>

5. Risk Management

Please note: you can create new rows in the table below if needed. If additional risks are identified by your organisation throughout the reporting period, or an identified risk is realised, please immediately contact your Funding Arrangement Manager to discuss.

Risk <i>Please list the identified or foreseeable risks to service delivery that your organisation may experience.</i>	How the risk will be managed <i>What actions will your organisation take to address these risks?</i>	Progress Report <i>Please provide an update at the end of the AWP reporting period on this work for the period of 1 July 2023 – 30 June 2024.</i>

8. Feedback / Additional information (This section is optional)

In this section, you may include information on any aspect of service delivery not already captured in the previous AWP sections.

You may wish to highlight a particular 'good news story' or case study (de-identified) related to your service(s), outline observed client trends in your service delivery area, provide context to accompany your Data Exchange reporting, report on community consultations, etc.

You may also wish to provide the department with feedback on how this AWP template could be improved to better capture the activities your organisation undertakes, and the outcomes you are achieving.

You may attach documents to this AWP report, however, attachments cannot replace your written responses in this AWP or AWP report.

This Activity Work Plan is to be finalised by the Activity Work Plan due date as specified in the grant agreement.
