

Enhanced Income Management and the SmartCard

Enhanced Income Management and the SmartCard is now available.

If you are on Income Management, you can choose to move to enhanced Income Management. You will get an enhanced Income Management account with a SmartCard.

The amount of money you get will not change if you move to enhanced Income Management.

Services Australia can help you with your enhanced Income Management account and SmartCard.

If you live in the Northern Territory, you can choose to have your enhanced Income Management account and SmartCard managed through Services Australia or the Traditional Credit Union (TCU).

If you choose to move to enhanced Income Management, you won't be able to move back to Income Management.
