Volunteers organise language classes, participate in festivals and events to promote social inclusion, and provide access to important information on community resources. The Group is a valuable resource for people of Indonesian background in the Campsie region, encouraging values of tolerance and multiculturalism by facilitating their participation in community and cultural events.

Chinese Parents Association - Children with Disabilities Incorporated Chinese Parents Association - Children with Disabilities Incorporated CAMPBIE 2194

Chinese Parents Association, Children with Disabilities is a volunteer association that provides information, education, recreation and social support to families with children with disabilities. Volunteers organise a range of regular events that raise awareness of the issues confronting families of children with disabilities and provide families with a network of support. The association conducts grass-roots development work, engaging families and community groups in activities that reduce social isolation and language barriers and promote cultural connection.

Christian City Church Property Limited Christian City Church Property Limited KINGGOFF 2487

Christian City Church is a safe, welcoming place where community members find practical and spiritual support. Volunteers donate their time and effort to deliver a range of programs that aim to assist at-risk young people and facilitate community integration. Through the efforts of its dedicated volunteers, the Church encourages an ethos of community inclusion and fosters support networks based on mutual assistance.

Christian Outreach Centre Christian Outreach Centre RAYMOND TERRACE 2324

Christian Outreach Centre Raymond Terrace is a volunteer-based organisation that seeks to improve the quality of life in the community. Dedicated volunteers run regular craft workshops for local families, provide emergency food packs to people experiencing hardship and foster a caring and supportive environment where disadvantaged community members can come for advice and support. The Centre connects individuals and groups from many backgrounds and helps them to engage with the community in a productive, meaningful way.

Chrysalis Ministries Incorporated Chrysalis Ministries Incorporated FITZROY FALLS 2517

Chrysalis Ministries is a volunteer-run organisation that provides local youth with a welcoming environment for social interaction and personal development. Volunteers organise school holiday camps which provide young people with information, educational activities. The organisation offers a friendly, inviting atmosphere to all, with free food and activities for all.

Chrysalis School for Rudolf Steiner Education Limited Chrysalis School for Rudolf Steiner Education Limited THORA 2454

Chrysalis School is an annual event that celebrates the creativity and talent of local students as they create a fashion parade from recycled materials. Volunteers work tirelessly to ensure this event is a success, not only planning and organizing it, but also providing support to the students on the night and operating lighting and other equipment. The event fosters community spirit and encourages the members of the Bellaring Shire to come together and support the endeavours of the local students.

Chulla Public School P & C Association Chulla Public School P & C Association GREENACRE 2190

Chulla Public School P&C Association aims to make the school an attractive and inclusive place for students and their families. Volunteers from many different backgrounds come together to organise fun and informative activities for students and to conduct fundraising to purchase resources for the school.

Church Street Community Garden Church Street Community Garden MAYFIELD 2304

Church Street Community Garden is a place for local residents to develop social connections and remain healthy and active. Volunteers work in the garden, teach interested gardeners new skills and welcome community members for social interaction and support. By providing a public space and opportunities for shared endeavour, the Garden connects enthusiasts of all backgrounds, ages and abilities.

Circus WOW Incorporated Circus WOW Incorporated WOMBARRA 2515

Circus WOW is a community-focused organisation that provides women with opportunities for fun and fitness through circus related activities. Volunteers offer instructional classes for participants of all ages and abilities, coordinate dynamic circus performances and develop ongoing relationships with community groups to encourage participation from marginalised women. Through creative expression, Circus WOW is able to engage women and girls and foster a more inclusive, cohesive community.

City of Lismore RSL Sub-branch City of Lismore RSL Sub-branch LISMORE 2480

The City of Lismore RSL Sub-Branch provides advocacy and welfare support for former and current members of the Australian Defence Force. The Branch’s volunteers visit members in their homes and in hospital, help with transport to and from welfare and pension support, and organise memorial services that bring the community together. The Branch provides a social and support network for current and ex-service members and encourages the celebration of Australia’s service history.

Clare Sports Club Clare Sports Club BAURAWALD 2715

The Clare Sports Club provides local residents with opportunities for fitness and recreation through participation in social and competitive sport. Volunteers organise competitive activities and hold recreational events that enable local families to come together and socialise. As a focal point of this small rural community, the Club encourages social inclusion for participants and volunteers.

Clarence Coast Dragon Boat Club Incorporated Clarence Coast Dragon Boat Club Incorporated MACLEAN 2465

The Clarence Coast Dragon Boat Club provides opportunities for competitive and recreational dragon boating and is a hub of community activity. Volunteers deliver training, coaching and mentoring for boaters, organise enjoyable recreational events and encourage participation by breast cancer survivors. The Club is socially inclusive, offering community members of all backgrounds an avenue to develop lasting friendships and strengthen community bonds.

Clarence Coast Theatrical Society Incorporated Clarence Coast Theatrical Society Incorporated ILLAWARRA 2463

Clarence Coast Theatrical Society provides local community members with opportunities for education, recreation and personal development through the performing arts, including theatre, music, and dance. Volunteers bring individuals and families together to host performances throughout the year, teach participants new skills through informative demonstrations and engage in regular workshops that enable participants to develop their artistic talents. The Society provides residents of Llarell with an important social outlet and encourages lasting friendships based on a shared appreciation of the performing arts.

Clarence Valley BMW Club Incorporated Clarence Valley BMW Club Incorporated SOUTH GRAFTON 2460

Clarence Valley BMW Club promote the benefits of BMW riding and encourage active and healthy lifestyles. Volunteers coordinate competitions that cater for community members of all ages and abilities, and ensure a safe and supportive environment in which participants can enhance their skills. The Club encourages community participation and provides regular social contact for participants and their families, supporting a cohesive and welcoming sporting community.

Clarence Valley Goat Keepers Incorporated Clarence Valley Goat Keepers Incorporated GRAFTON 2460

Clarence Valley Goat Keepers are a volunteer-run group that promotes community participation in the upkeep of a local goat herd. Volunteers look after the needs of the herd, encourage young children to come and interact with the animals, and produce a range of goat milk products for consumption by community members, many of whom are allergic to traditional forms of milk. The Keepers have a unique and valued part of the Grafton community, providing opportunities for outdoor activity and an appreciation of community-based farming practices.
| NSW | Clarence Valley Kindred Children Care Support | Clarence Valley Kindred Children Care Support Group Incorporated | WODU | 2462 | Clarence Valley Kindred Children Care Support Group aims to promote and foster the welfare of children and kinship carers in the local community. Volunteers organise regular meetings and workshops for kinship carers and offer advocacy and home visiting services, helping the carers to adjust to and manage their new responsibilities. The Group facilitates community cohesion by encouraging kinship carers, families and volunteers to cultivate friendships and long-lasting support networks. |
| NSW | 40812 Climate Action Newcastle Incorporated | Climate Action Newcastle Incorporated | KOTARA | 2209 | Climate Action Newcastle is a community-based organisation dedicated to the improvement of the Newcastle region. Volunteers deliver a range of community initiatives to benefit local residents and develop projects to enhance environmental sustainability. The organisation works closely with the Newcastle City Council to identify and address areas of need to ensure environmentally conscious solutions. |
| NSW | 40812 Clothesline Incorporated | Clothesline Incorporated | CASTLE HILL | 2314 | Clothesline provides quality clothing and other essential items to homeless and disadvantaged community members in Sydney. Volunteers operate a mobile clothing van to distribute goods in communities across the region, as well as working with other welfare groups to combine services and offer a comprehensive network of support for people in times of need. By building relationships of trust and respect, volunteers help to foster inclusive communities and a brighter future for disadvantaged individuals and families. |
| NSW | 40812 Community Hall Incorporated | Coffs Harbour Memorial Hall | MCKEES HILL | 2480 | Coffs Harbour Memorial Hall provides essential facilities for the Multiple Services Community Hall. It is the primary venue for community engagement in the local area. The volunteers provide a highly valued service of maintaining the Hall for meetings, trivia nights, indoor sports and a variety of other volunteer organisations and services for the community. The Hall volunteers actively demonstrate social responsibility and facilitate a support network for the citizens of Coffs Harbour. |
| NSW | 40812 Coffs Coast Community Hall Incorporated | Coffs Coast Community Hall Incorporated | COFFS HARBOUR | 2450 | The Coffs Coast Community Hall provides support for marginalised members of the community and volunteers to reach out and support the wider community. |
| NSW | Cobar Branch of the Country Women’s Association of NSW | Cobar Branch of the Country Women's Association of NSW | Cobar | 2365 | The Cobar Branch of the Country Women’s Association (CWA) of NSW is immersed in the community, creating support networks and an enduring sense of local identity. The volunteers work tirelessly to establish community support by providing meals, inexpensive clothing, weekend goods, transport and social activities for families in need. The organisation provides residents from various cultural and socio-economic backgrounds with the opportunity for social interaction and connection to the wider community. |
| NSW | 40812 Cobar Rural Fire Brigade | Cobar Rural Fire Brigade | COBARGO | 2350 | Cobar Rural Fire Brigade serves a small, rural township and its residents through the provision of emergency services. Volunteers respond to fires across the area, organise hazard reduction initiatives and run community education programs that help to ensure the continued safety of local residents. The Brigade includes volunteers of many backgrounds and abilities who save lives and foster a safer community through their dedicated service. |
| NSW | 40812 Coffees Coast Community Radio Incorporated - 2Air-FM | Coffees Coast Community Radio Incorporated - ZAIR-FM | COFFS HARBOUR | 2450 | Coffees Coast Community Radio is a volunteer-run organisation that provides support for marginalised members of the community and volunteers to reach out and support the wider community. |
| NSW | 40812 Coffs Harbour Comets Seniors Rugby League | Coffs Harbour Comets Seniors Rugby League | COFFS HARBOUR | 2450 | The Coffs Harbour Comets Seniors Rugby League Football Club is a community-based sporting organisation that aims to promote the benefits of rugby league and encourage active and healthy lifestyles. Volunteers coordinate competitions that cater for players of all ages and abilities, and ensure a safe and supportive environment in which players can develop important life skills. The Club encourages community participation and provides regular social contact to players and their families, supporting a cohesive and welcoming sporting atmosphere. |
| NSW | 40812 Coffs Harbour Employment Support Services | The Coffs Harbour Men’s Shed | COFFS HARBOUR | 2430 | The Coffs Harbour Men’s Shed provides a safe and busy environment where local men can be productive and contribute to the community in an atmosphere of mateship. The volunteers foster a culture of interaction and engagement, organising regular presentations on men’s health and wellbeing and using their workshop skills to assist other community groups. The Shed assists residents of many backgrounds, including young people, people with disability and the homeless. |
| NSW | 40812 Coffs Harbour High School Parents and Citizens Association | Coffs Harbour High School Parents and Citizens Association | COFFS HARBOUR | 2450 | Coffs Harbour High School Parents and Citizens Association is a focal point of the school community. Volunteers organise and promote educational, recreational and fundraising activities that encourage social interaction and healthy, active lifestyles. Volunteers also provide support and guide students in their learning and development. The Association delivers a range of community services to students attending the school and fosters a sense of belonging and social inclusion in which students can learn and develop. The Association draws volunteers from a range of different backgrounds, offering an inclusive forum where parents can meet and work together for the benefit of their families and the community. |
| NSW | 40812 Coffs Harbour Stroke Recovery Club | Coffs Harbour Stroke Recovery Club | TOORMINNA | 2450 | Coffs Harbour Stroke Recovery Club provides essential care services for stroke patients and their carers in the Coffs Harbour community. Volunteers organise regular meetings, outings and speech practice sessions that help to reduce social isolation and assist people affected by stroke to re-integrate into the community. The Club empowers patients and their families to engage with the community and stay connected. |
| NSW | 40812 Coffs Harbour Surf Lifesaving Club | Coffs Harbour Surf Lifesaving Club Limited | COFFS HARBOUR | 2450 | Coffs Harbour Surf Lifesaving Club promotes beach safety and encourages local residents to adopt healthy, active lifestyles through participation in surf-based activities. Volunteers donate their time to patrol local beaches, deliver vital first aid and rescue services and run training programs that teach surf lifesaving skills to community members of all ages and abilities. The Club is a focal point in the Coffs Harbour community, encouraging individuals and families to come together, enjoy the beach and develop a valuable understanding of water safety. |
| NSW | 40812 Coffs Harbour Swans Junior AFL Club | Coffs Harbour Swans Junior AFL Club | COFFS HARBOUR | 2450 | Coffs Harbour Swans Junior AFL Club offers children and young people the chance to develop personal and athletic skills through participation in the sport of Australian Rules football. Volunteers respond to fires and motor vehicle accidents, maintain public facilities and run programs that increase community capacity by emphasising the importance of preparedness and prevention. The Brigade fosters a more secure and progressive community by providing fire safety and encouraging a sense of camaraderie among volunteers.

NOW Wildlife Information, Rescue and Education Service (WIRE) is a community-based organisation dedicated to the rescue and conservation of native wildlife. Volunteers organise educational programs to promote the protection and welfare of native Australian animals and provide care and rehabilitation services for injured and orphaned wildlife. The WIRE volunteers work together to encourage sustainability, promote a culture of inclusion and, through a shared spirit of volunteerism, foster a sense of social responsibility among community members.
Nyngan offers chance athletic participation soccer.

Little Athletics is a national organisation that promotes childhood health through regular physical activity. Volunteers from Nyngan Little Athletics provide a welcoming environment where children of all ages and backgrounds, including culturally and linguistically diverse and socio-economically disadvantaged families, can participate in regular competitive and recreational events. The organisation fosters social inclusion by offering an enjoyable, inclusive forum for participants to make new friends and learn social skills, such as cooperation and tolerance.

The Nyngan Men's Shed provides a welcoming and inclusive environment where men, including the elderly, unemployed and disadvantaged, can congregate to share life experiences and find mutual support. Volunteers maintain a supportive environment where community members can learn new skills, connect with friends and increase their participation in the community. The Shed alleviates social isolation by enabling participants to establish friendships, form support networks and develop the confidence to interact with the wider community.

The Oak Flats Progress Society is focused on the continued development of the local community and its resources. Volunteers engage the community to discuss local issues and collaborate on plans to address them. The volunteers' hard work creates a strong community identity and ensures the region will remain an attractive place to live and visit.

The Odlands Community Health and Fitness Centre is focused on strengthening the local community and improving the health and fitness of individuals and families. Volunteers administer a safe and well-equipped exercise facility and organise a variety of educational programs that foster the enjoyment and physical development of community members from all backgrounds. The Centre offers a friendly and informal meeting place where local residents can engage in physical exercise and socialise, fostering a more dynamic town environment.

Oberon Men's Shed is a community-based organisation dedicated to improving the welfare of men from all walks of life. Volunteers provide a supportive environment in which men can benefit from regular social contact and work towards the improvement of the local community by donating their talents. The Shed aims to promote a culture of inclusion by encouraging participation, resulting in a cohesive and productive community.

The Odlands Community Health and Fitness Centre promotes through Nyngan Little Athletics, and focusses on plans to engage volunteers' assistance and raise funds for other social causes, including Give Me 5 For Kids and Prostate Cancer Research. Through the committed efforts of its volunteers, the Club helps to prevent social isolation and build a community based on values of inclusivity, diversity and mutual support.

Ocean Shores Basketball Association is a community-based sporting organisation that encourages local residents to participate in basketball and adopt active and healthy lifestyles. Volunteers provide training and coaching to the players and maintain the Association's facilities, which hosts the only regulation court in the local shire. The Association includes people from all walks of life and encourages values of teamwork and community connectedness.

Old Bar Community Technology Centre provides information and social assistance to local community members. Volunteers facilitate access to a range of services, such as access to internet, scanning, printing, typing services, computer courses and also produce a local newsletter for local Loyalist and Probis 5000 clubs. The Centre is an important local resource that promotes social inclusion, encourages community engagement and strengthens community bonds.

Old Bar Rural Fire Brigade provides a regional service to the community through its dedicated service. The Old Bar Rural Fire Brigade serves a regional township and its residents through the provision of emergency services. Volunteers respond to emergencies across the area, including fires, automobile accidents and incidents at the nearby aged care facility. The Brigade includes volunteers of many different backgrounds and abilities who save lives and foster a safer community through their dedicated service.

Old Bega Hospital Reserve Trust offers a welcoming environment in which community members can congregate and work together to enrich local quality of life. Volunteers of the Trust promote social inclusion by organising regular community and cultural activities, such as classes for children and adults, community radio broadcasts and playgroups, in a safe, pleasant and environment. The Trust represents a community-focused avenue through which local residents of all backgrounds and abilities can benefit from mutual support and collaborate towards a more inclusive, productive community.

Older Mens Network provides older men in the community with an opportunity to meet and discuss issues that affect them. Volunteers of the Tamworth branch raise awareness of their group through regular displays at shopping and community centres and through active involvement in Senior's Week and Men's Health Week activities. The Network helps older men develop social networks and prevents social isolation in the community.

Ora Art Association offers a welcoming space for local community members to develop their creative talents and interact through a shared appreciation of the arts. Volunteers foster an informative environment where individuals and families can connect with friends, enjoy regular exhibitions of local and regional work, and learn new skills through educational activities and demonstrations. Ora Art is regionally focused and promotes community integration by encouraging creative expression.

Orange Community Broadcasters provides a community radio broadcasting service with a focus on local and regional content. Volunteers work closely with local organisations to promote community events, fundraising initiatives and exhibitions, and present a range of news, sport and specialised multicultural programs for families that speak a language other than English at home. Through its focus on regional and multicultural programming, the station helps to strengthen community cohesion.

The Orange East Public School Parents and Citizens Association offers families and community members the opportunity to get involved in the School’s activities. The volunteers help out with fundraising activities, building gardens and supporting performing arts. By promoting a culture of social inclusion and education, this community hub has a positive impact on today’s children as they become tomorrow’s adults.
Orange Men's Shed is a welcoming venue where men from the local community can come together for social interaction and DIY projects. Volunteers organize educational information sessions on health and social issues, coordinate workshop activities where members learn skills from each other, and promote the Shed's activities at community events. The Shed is a community hub, bringing together men from different backgrounds to enhance the local community and foster social inclusion.

Orange Public School Parents and Citizens Association is a committee of dedicated volunteers collaborating towards the improvement of the school community. Volunteers encourage community participation and improve the welfare of students and their families. The Association's aim is to build supportive networks, enhance the educational opportunities of disadvantaged community members and improve social cohesion and encourage community spirit.

Orange Senior Citizens Association Incorporated is a volunteer-run organisation that provides practical and emotional assistance to older Australians. Volunteers organize a number of educational and recreational activities, such as computer and art classes and bus tours, teaching participants valuable new skills and providing regular opportunities for social interaction. The Association aims to alleviate the isolation suffered by some older Australians through the provision of support and neighbourly assistance, ensuring an inclusive and integrated community.

Outback Radio 2WEB provides the community with informative and entertaining radio programming. Volunteer presenters work closely with local organisations to reach out to the community, including those living with disability, isolated individuals, and Indigenous Australians. Community radio promotes a culture of inclusion where residents can find entertainment, information during emergencies, community resources and neighbourly interaction.

Pacific Link Community Housing Association provides a community-focused avenue through which local residents of all backgrounds and abilities can benefit from mutual support and collaborate towards a more inclusive, progressive society.

The Pacific Palms Community Centre Management Committee offers a welcoming environment in which community members can congregate and work together to enrich local quality of life. Volunteers at the Centre promote social inclusion by organising regular community activities and facilitating access to support services. The Centre represents a community-focused avenue through which local residents of all backgrounds and abilities can benefit from mutual support and collaboration towards a more inclusive, progressive society.

Pambula Cricket Club is a hub for social activity, offering opportunities for participation in competitive and recreational cricket. Volunteers provide coaching and mentoring for players, organise enjoyable recreational events and perform administrative duties. The Club is socially inclusive, offering members of all backgrounds the opportunity to develop lasting friendships and strengthen community bonds.

Pambula Wetlands and Heritage Project works within the local community to encourage active participation in the management of environmental resources. Volunteers maintain the wetland for the purposes of nature conservation, vegetation restoration, and environmental education. The Project seeks to enhance the community's awareness of the natural environment and contribute to the future sustainability of the local area.

The Panjaj Depth Centre offers a welcoming environment in which community members can congregate to celebrate the region's multicultural composition. Volunteers at the Centre promote social inclusion by organising community events and encouraging participation. The Centre represents a community-focused avenue through which local residents of all backgrounds and abilities can benefit from mutual support and collaborate towards a more active lifestyle.
The Papua New Guinea Community Group of the Sydney and Wollongong Area is a community-focused organisation dedicated to the social, emotional, and cultural needs of the Papua New Guinean community. Volunteers organise song and dance classes, and events that promote traditional culture, and liaise with newly arrived migrants to assist their integration into the community. The Group is a valuable social resource for people of Papua New Guinea descent, encouraging values of tolerance and multiculturalism by facilitating their engagement with the wider community.

The Parkes Tennis Club is a community-oriented club that caters for players of all ages and abilities. The Association promotes a socially inclusive community by fostering a supportive environment where local musicians can coordinate and organise sporting events. As a focal point of the rural Parkes community, the Association encourages social inclusion for players and volunteers.

The Parkes Men’s Shed provides a welcoming and inclusive environment where men, including older, people with disability and disadvantaged men in the community can congregate to share life experiences. Volunteers foster a culture of interaction and engagement at the Shed and use their workshop skills to assist other community groups. The Shed alleviates social isolation by enabling participants to establish friendships, form support networks and develop the

River of God Ministries aim to improve the physical and emotional wellbeing of disadvantaged community members in the Shoalhaven area. The Ministries consist of volunteers from across the region, who come together to foster a welcoming and convivial environment for marginalised individuals and families. The Ministries provide hope and support to community members from many backgrounds, including Indigenous Australians, and are an important resource in the advancement of community integration and social inclusion.

The Roberts Park Community Sports Club connects residents from many different backgrounds by acting as the recreational and social hub of the local community. Volunteers contribute by maintaining the grounds, hosting community group meetings and holding recreational events that enable local families to come together and socialise. The Club and its devoted volunteers foster a culture of social inclusion for players and volunteers.

Roseberry Creek Landcare is a community-based organisation that encourages local residents to become involved in landcare activities. Volunteers host regular training sessions for interested community members, work to eliminate noxious weeds from the area and collaborate with local schools to revegetate the region with native trees and plants. The organisation seeks to empower, educate and lead the community into awareness and future sustainability of the local environment.

The Rotary Club of Berry and Gerringong promotes a viable, interactive and progressive community through the spirit of cooperation and mutual assistance. Consisting of a large contingent of dedicated volunteers, the Club seeks to improve the welfare of individuals and families by conducting fundraising drives, coordinating charity events to support local projects, and organising community events such as New Year’s Eve celebrations. The Club’s valuable work is dependent on the dedication of volunteers, who represent a valuable community asset.

The Rotary Club of Broken Hill South is a group of dedicated volunteers who donate their time and service for the greater good of the local community. Volunteers encourage social inclusion and community development by hosting fundraising events to support local initiatives, participating in local programs, and building public facilities. The Club promotes social inclusion, goodwill and understanding by fostering community spirit and improving the welfare of individuals and families in the community.

The Rotary Club of Chatswood is part of Rotary International, an organisation that encourages individuals to engage in community service. Volunteers foster social inclusion and community development by hosting fundraising events to support local initiatives, arranging park plantings and participating in a bowls program. The Club promotes peace, goodwill and understanding by fostering community spirit and helping to improve the welfare of those in need.

The Rotary Club of Forster promotes a viable, interactive and progressive community through the spirit of cooperation and mutual assistance. Consisting of a large contingent of dedicated volunteers, the Club seeks to improve the welfare of individuals and families by conducting fundraising drives and coordinating charity events to support local initiatives. The Club’s valuable work is possible due to the efforts of its volunteers, who represent a vital component of the social fabric of Forster.

The Serpentine Community Gallery is a community-based organisation where local artists come together to share their work with the wider community. Volunteers encourage community inclusion by maintaining a welcoming and informative environment where artists of all backgrounds, including people with disability and individuals experiencing homelessness, can display their work and engage in creative collaboration. The Gallery is a supportive and learning environment for vulnerable individuals and fosters the social and intellectual stimulation of people living in the North Lismore region.

The Lismore Pathfinder Club is a volunteer-run organisation that provides local youth with a stimulating environment for social interaction and personal development. Volunteers within the Club facilitate activities that promote social inclusion and provide young people with opportunities to enhance their physical and intellectual development. The Club offers a friendly and informal meeting place where young members of the community can socialise and work together towards a more unified town environment.

Sexton Rural Fire Brigade encourages a collective community approach to ensure the safety of lives, property and the environment. Volunteers work together to deliver safety education programs, coordinate efficient and effective responses to natural emergencies and implement preventative measures to minimise the impact of disasters. By focusing on the education and protection of local individuals and families, the Brigade facilitates a culture of preparedness and responsibility and a safer local community.

The Shoolhaven Public School Association aims to foster the welfare of children and their families within the school community. Volunteers work tirelessly to organise activities for students and their families and fundraise to improve educational resources. The Association provides a network of support for parents and students.

Shoolhaven City Council on behalf of the Grotto Busch Group provides valuable insights and education to the community through various projects, such as water collection points and education projects. The Group works to maintain the bushland, promote environmental awareness, and encourage conservation activities within the local community.

The Shoolhaven Fire and Rescue Service Headquarters provides assistance to local community members in times of need and acts as a focal point in the Shoolhaven region. Volunteers respond to fires and motor vehicle accidents, maintain public safety, and provide essential assistance to local residents. The Service is committed to reducing the impact of natural disasters and improving community safety through education and training.

The Shoolhaven Youth Accommodation Company Limited is a charitable organisation that provides support and accommodation services for young people in need. The Company strives to create a supportive and inclusive environment for young people to thrive and develop life skills.

The Silver City Archers Inc. is a community-based organisation that promotes archery as a sport and provides opportunities for community members to engage in physical activity. The Club also supports and encourages the use of archery in community events and social gatherings.

Singleton District Touch Football Association promotes community engagement through touch football, providing opportunities for social interaction and physical activity. The Association encourages active participation and promotes healthy lifestyles through community events and social gatherings.

Singleton Men’s Shed is a community-based organisation dedicated to improving the well-being of men in all walks of life. Volunteers provide a supportive environment in which men can benefit from regular social contact and work towards the improvement of the local community by sharing their talents and skills.

The Shoalhaven River Fire and Rescue Service provides assistance to local community members in times of need and acts as a focal point in the Shoalhaven region. Volunteers respond to fires and motor vehicle accidents, maintain public safety, and provide essential assistance to local residents. The Service is committed to reducing the impact of natural disasters and improving community safety through education and training.

The Shoalhaven Public School Association aims to foster the welfare of children and their families within the school community. Volunteers work tirelessly to organise activities for students and their families and fundraise to improve educational resources. The Association provides a network of support for parents and students.

Shoalhaven Permaculture Network Incorporated is a community-based organisation that promotes permaculture principles and provides education and support to local residents. The Network is dedicated to fostering sustainable and healthy communities through the use of permaculture practices.

Singleton Silver City Rowing Club is a community-based organisation that promotes rowing as a sport and provides opportunities for social interaction and physical activity. The Club also supports and encourages the use of rowing in community events and social gatherings.

Singleton Mid North Coast Incorporated is a community-based organisation that promotes the Mid North Coast as a desirable destination for tourism and leisure. The Organisation is dedicated to promoting the region's natural and cultural heritage to visitors and residents alike.

The Shoalhaven River Fire and Rescue Service provides assistance to local community members in times of need and acts as a focal point in the Shoalhaven region. Residents Committee Bateau Bay is a volunteer-run organisation that provides support to elderly and frail community members. Volunteers assist isolated and housebound residents to participate in social activities, such as shopping and literacy programs, as well as facilitating access to medical care and distributing a regular newsletter to inform and entertain readers. The Committee aims to alleviate the isolation suffered by some older members of the community.

South Coast Rugby Union Zone is an administrative body that provides local residents with opportunities for fun and fitness through participation in recreational and competitive rugby union. Volunteers undertake numerous activities to benefit local clubs by structuring regional competitions, ensuring a safe sporting environment and organising fun fundraising events. As a key support for the competition, the Club encourages community participation and provides regular social contact opportunities.

South South Coast Volunteer Rugby League is a volunteer-run football club that caters for young players from a diverse range of backgrounds, including many Indigenous Australians. Volunteers assist with training, maintain the equipment and uniforms and transport players to matches. The Club fosters a more inclusive and integrated community by teaching participants values of teamwork and discipline.

South West Slopes Vietnam Veterans is a pottery club that connects Vietnam Veterans with the wider community through a shared activity. Volunteers impart their skills and knowledge to interested individuals and groups through regular classes and activities and give demonstrations to other isolated groups. The South West Slopes Vietnam Veterans represents an inclusive environment where veterans and their families can remain connected with the wider community.

The Golden Progress Association fosters for future. The Association monitors and promotes the activity of all registered people with disabilities, provides for recreational activities, and caters for a wide range of people with disabilities. It is not-for-profit organisation that helps people with an intellectual disability to achieve their personal best through regular sport and competition. Volunteers of Special Olympics MID North Coast provide recreational and competitive sporting opportunities for all people with an intellectual disability, regardless of their skill level, age or background. By expanding social networks and providing opportunities for personal growth and development, volunteers help individuals with disability to improve their health, gain self-confidence and connect with the wider community.

The South Golden Beach Progress Association offers a voice to individuals and families in the local community. The volunteers have a common pride in their neighbourhood and passion for building an even stronger community for the future. The Association fosters an inclusive atmosphere for the future growth of the South Golden Beach Progress Association.

The South Western Tenants' Association represents the interests and concerns of social housing residents. Volunteers provide advocacy and volunteering placements, and coordinate projects and workshops for the region's tenants, many of whom are at risk of social isolation as the result of literacy, disability and homelessness. The Association represents an important resource for residents by supporting disadvantaged members of the community.

Southbridge Boardriders is a volunteer-run surfing club that caters for surfers of many ages and abilities in the Throsby region. Volunteers administer training, organise competitive activities and hold recreational events that enable local families to come together and socialise. The Boardriders help to foster a more inclusive and integrated community by teaching participants values of responsibility and self-discipline.

The Southern Highlands Carregie Club encourages participation in equine sport in a safe and supportive environment. Volunteers organise a variety of activities for community members of all ages, including training days and competitive events, which feature the participation of many families and local community members. Volunteers offer a wide range of activities tailored to the needs of each family and individual, including coaching, mentoring, competition, social events and a range of educational opportunities.

Southbridge Boardriders Incorporated Southbridge Boardriders Incorporated THROSBY 2515

St Paul's Parish is a volunteer-operated community group that aims to foster social welfare within the region by providing emotional and intellectual support to community members. Volunteers visit local schools and offer educational programs that enhance personal development and strengthen the resilience of young people, giving them a sense of belonging. The Parish is a community resource, building connections between people and promoting a sense of community.

The St Thomas More Netball Club is a community hub that provides an inclusive support network for the Bulahdelah region. Volunteers attend local schools to provide educational programs to students, assist those in need by distributing donated food, clothing and furniture through a local opportunity shop, and run social welfare programs that offer pastoral care to various groups within the community. The Parish is a community resource, building connections between people and the community and fostering a culture of empowerment and social inclusion.

St John's Anglican Parish of Goulburn is a socially inclusive group that offers support and an opportunity for isolated individuals to engage with the community. Volunteers maintain Parish facilities for the use of local organisations and run a variety of activities aimed at including many different community groups, including young, disadvantaged and elderly residents. The Parish strengthens the community and provides a place where people can connect and form lasting social bonds with one another.

The State Emergency Service of NSW is a volunteer-based organisation providing vital support to the local community in times of need. Volunteers come together to respond to emergencies, such as fires, floods and motor vehicle accidents, and coordinate educational programs that increase public awareness to ensure effective disaster preparation. The Service is a valuable community resource, protecting property, saving lives and contributing to a stronger, more secure local region.

Stockton Parents and Citizens Association actively works to build community involvement in the welfare of students and their families. Volunteers organise regular meetings, outings, and activities for people of all ages and abilities to participate in team sport. Volunteers offer a range of social welfare activities, including morning teas, bingo nights and health presentations, that foster the physical and emotional welfare of participants and ensure that no member is at risk of social isolation. The Association provides volunteers and community members with a sense of belonging.

The Broken Hill Stroke Recovery Club provides essential care services for stroke patients and their carers in the Broken Hill community. Volunteers organise regular meetings, outings, exercises and speech practice sessions that help to reduce social isolation and assist people affected by stroke to re-integrate into the community. The Club empowers patients and their families to engage with the community and stay connected.

The Great Lakes and Manning Stroke Recovery Club provides essential care services for stroke patients and their carers in the Forster community. Volunteers organise regular meetings, outings and speech practice sessions that help to reduce social isolation and assist people affected by stroke to re-integrate into the community. The Club empowers patients and their families to engage with the community and stay connected.

The Muswellbrook Stroke Recovery Club provides essential care services for stroke patients and their carers in the Muswellbrook community. Volunteers organise regular meetings, outings and speech practice sessions that help to reduce social isolation and assist people affected by stroke to re-integrate into the community. The Club empowers patients and their families to engage with the community and stay connected.

The Tamworth Stroke Recovery Club provides essential care services for stroke patients and their carers in the Tamworth community. Volunteers organise regular meetings, outings and speech practice sessions that help to reduce social isolation and assist people affected by stroke to re-integrate into the community. The Club empowers patients and their families to engage with the community and stay connected.

The Lismore Ballina Stroke Recovery Group provides essential care services for stroke patients and their carers in the Lismore and Ballina communities. Volunteers organise regular meetings, outings, exercises and speech practice sessions that help to reduce social isolation and assist people affected by stroke to re-integrate into the community. The Club empowers patients and their families to engage with the community and stay connected.
Bective East Cricket Association unities cricket players of all ages and abilities for competition, fitness and social interaction. Volunteers foster a culture of dedication and engagement by managing finances, organising recreational events that involve friends and families and teaching new players skills and techniques. The Association brings together families on match days to support the teams, creating an environment that encourages competition, active

Tamworth Offroad Cyclists is a volunteer-run sporting club that caters for community members of all ages and abilities in the Duralki region. Volunteers share their skills with junior riders, coordinate mountain biking events and cultivate a welcoming, informative environment that encourages local residents to come together and connect through a shared interest in cycling. The club and its devoted volunteers help to foster a more integrated and progressive community.

The Taralga Historical Society researches, records and presents information to the public about the history of the local area. The volunteers are committed to encouraging community participation and expanding the Society's collection. The aim of the Society is to inform the community of the history of the local area, to strengthen the community's identity and to foster social inclusion.

The Taree Craft Centre is a volunteer-run organisation that teaches craft skills to community members of all ages and abilities. Volunteers impart their skills and knowledge to the community through regular classes and instructional workshops, and undertake craft projects that offer comfort to community members during times of hardship. The Centre provides an inclusive environment where individuals and families from all walks of life can enhance their artistic abilities and develop lasting social connections.

The Taree Film Society is a volunteer organisation that seeks to inspire and celebrate community appreciation of alternative cinema. Volunteers share their cinematic knowledge with interested community members and organise regular screenings that bring local individuals and families together to watch and discuss films. The Society offers an inclusive, informative environment where community members of various backgrounds can congregate and bond through discussion and film appreciation.

The Taree Rural Fire Brigade is a focal point for many residents who share a feeling of local identity and a desire to protect their community. Volunteers assist during emergencies, such as fires, floods and car accidents, and liaise with other emergency service organisations to implement effective strategies for disaster response and prevention. The Brigade reflects the membership of the community, drawing on its diversity and culture of participation to provide a safe and effective service to all residents.

The Taree Soccer Club is assisted by a group of volunteers who provide a safe environment for members of all ages to participate in the sport of soccer. Volunteers foster community spirit by hosting competitions and social events and encouraging participants to develop their abilities. The Club also functions as a community facility, providing many local groups with opportunities for social interaction and community engagement.

The Tarrawanna Bushfire Brigade aims to protect lives and property in the local region through the provision of vital emergency services. Volunteers from different backgrounds and professions are united in their commitment to the safety of local residents, responding to bush and structural fires and conducting hazard reduction burns to increase community preparedness. The consistent support and dedication of the Brigade strengthens community spirit and goodwill across the Tarrawanna region.

The Tarrawanna Soccer Club provides local residents with opportunities for competition and fitness through participation in competitive and recreational soccer. Volunteers organise training and match days and work closely with players to advance their physical and mental development. The Club is a focal point in the Tarrawanna region, offering community membership from many cultural and socio-economic backgrounds a positive venue for recreational activity and social interaction.

Talitha Branch United Hospital Auxiliary of NSW is an organisation comprised of dedicated volunteers who liaise with businesses and government bodies to promote the interests of the hospital. Volunteers donate their time and energy, staging various community activities and fundraising initiatives to finance improvements to hospital resources and infrastructure. The Auxiliary encourages social inclusion and integration by uniting people of all ages and backgrounds to support the Hospital's service to the community.

Te Kakano O Te Atua is a performing arts group that seeks to promote and celebrate Polynesian culture in Quakers Hill. Volunteers arrange rehearsals and performances that encourage community interaction and participation from individuals and families of all ages and backgrounds. The group provides 4000 participants with a welcoming, informative avenue to connect with friends, express their interest in the arts and collaborate for a more dynamic community.

Tea Gardens Hawks Nest Family Research Group provides a stimulating environment where local community members can congregate and learn about local and family history. Volunteers provide emerging historians with practical advice on how to begin research and engage with a social atmosphere for the many individuals and families who visit the Group. Through an appreciation of personal and regional heritage, the Group brings together local residents of many different backgrounds and fosters an integrated community.

Tea Gardens Hawks Nest Family Research Group is a community-based volunteer organisation that supports disadvantaged community members while promoting a society based on values of tolerance and cooperation. Volunteers deliver a range of welfare services that allow isolated and elderly community members to retain their independence and experience an ethos of community interaction. The Club operates in conjunction with various other community groups to assist those in need and encourage an inclusive community culture.

Tea Gardens Hawks Nest Meals on Wheels provides freshly-cooked meals seven days a week to the elderly, frail and people with disability. Volunteers fulfil a vital social service in the area by providing incapacitated community members with opportunities for regular social interaction. The organisation is a valuable 2000-kilometre service for house-bound and socially isolated residents, enabling them to maintain their dignity and independence by continuing to live at home.

Teensafe is a community-based organisation dedicated to improving quality of life in the Temora region. Volunteers raise funds for local organisations and charities and assist with community events that bring local individuals and families together to network and celebrate. The organisation acts as a focal point of the community by enabling volunteers to develop lasting friendships while collaborating towards a progressive future for the region.

Teensafe Surfari Motor Sport Club is a community-based organisation that aims to use motorsport as a way of promoting road safety to the community. Volunteers run safe driver education programs for teenagers and disadvantaged learner drivers. By teaching the community about road safety in a fun and welcoming environment, the Club continues to shape generations of engaged citizens.

Temora Apex is a community-based organisation dedicated to improving quality of life in the Temora region. Volunteers raise funds for local organisations and charities and assist with community events that bring local individuals and families together to network and celebrate. The organisation acts as a focal point of the community by enabling volunteers to develop lasting friendships while collaborating towards a progressive future for the region.

Temora Carriage Club is a contingent of volunteers working together to facilitate community appreciation of horse drawn activities. Volunteers promote the safety of participants through education, encourage the involvement of individuals and families from all backgrounds and organise social events so that members can connect with friends. The Club is a focal point in the Sebastopol region, enriching the community through the provision of this unique.
The Food Service provides nutritious meals seven days a week to the elderly, frail and people with disability in the Temora community. Volunteers also fulfil an important social service in the area by providing transport-disadvantaged community members with opportunities for regular social interaction. The Service is a valuable lifetime for housebound and socially isolated residents, enabling them to maintain their dignity and independence by continuing to live at home.

The Tenterfield Campdraft Association is a volunteer-run organisation focused on the promotion and appreciation of local equestrian endeavours. Volunteers facilitate an annual campdraft event that showcases the efforts of local residents and attracts visitors from across the region. The Association is a focal point of the community, encouraging widespread participation to ensure a successful and engaging local event.

The Action Club of Nelson Bay is a dedicated club of volunteers who donate their time and service for the greater good of the Tomaree community. Volunteers encourage social inclusion and community development by hosting fundraising events to support local schools and community groups, assisting with public celebrations and facilitating participation in beautification activities such as Clean Up Australia Day. The Club promotes peace, goodwill and understanding by fostering an ethos of cooperation and working towards a stronger, progressive local community.

The Action Club of Broken Hill is a civic-operated organization that aims to foster community interest in aviation. Volunteers of the Club offer leadership training and aviation theory classes for local residents and encourage their participation in community-oriented events, such as Sky Dive OZ. The Group instills leadership and social responsibility in participants while encouraging their intellectual, social and physical development.

The Baradine Rusty Club is a volunteer-run organization that aims to improve the welfare of young, at-risk community members. Volunteers work closely with local police and welfare groups to deliver training programs that engage and educate participants. By providing young people with the skills to access 4642 workplace inclusion and promote an ethos of self-worth and social responsibility.

Community Help for the Isolated with Personal Support is dedicated to assisting marginalised individuals and families. Volunteers deliver a range of services to benefit community members, organise vocational training, educational projects and development activities for individuals with disability. The organisation works closely with other community groups to identify and address local needs and is an important catalyst in the development of a more productive, socially inclusive community.

The Colmont Country Fire Service Brigade serves a small, rural township and its residents through the provision of emergency services. Volunteers respond to emergencies across the area, including fires, storms and automobile accidents, and organize training courses that help to ensure a high level of community preparedness and resilience. The Brigade includes volunteers of many backgrounds and abilities who save lives and foster a safer community through their dedicated service.

The Crystal Brook Heritage Centre on behalf of the local community, volunteers promote a variety of community-related projects and events that provide individuals and families from across the region with opportunities for social interaction, recreation, and fundraising.

The Crystal Brook Motorcycle Club provides a welcoming space for community members to engage with other community members, fostering social inclusion and encouraging participation by local individuals and families. The Club organizes a variety of events and activities such as motorcycle tours, social functions, and fundraising events that benefit the local community.

The Eudunda Hall and Catering Committee facilitates the enjoyment of the municipal area and surrounds, hosting a range of social and recreational events to provide opportunities for community interaction. Volunteers maintain the Hall's amenities and support community events to create an atmosphere of social inclusion and community participation. The Hall provides a focal point for the community to continue its development and improve the welfare of local residents.

The Flacieu Peninsula Family History Group is a team of volunteers who donate their time to assist members of the community to exhibit, expand and research their cultural heritage and family history. The volunteers also educate visitors on how to use available research tools and promote an interest in history.

The Friends of Southern Eyre Peninsula Parks works within the local community to encourage active participation in the management of environmental resources, such as parks, reserves, and nature trails. Volunteers undertake a range of conservation and restoration projects, such as weeding and re-vegetation to protect native flora and fauna, walking trail and campground maintenance and regular beach cleanups. The organisation promotes social inclusion by actively encouraging community participation in the beautification and preservation of the local areas.

The Friends of Minto Farm Animal Rescue Centre is a community organisation dedicated to rescuing, rehabilitating and releasing injured and orphaned wildlife. Volunteers care for sick, injured, and orphaned wildlife, educate the community on sustainable coexistence with Australian fauna and create an inclusive atmosphere where interested individuals and families can assist with wildlife rehabilitation. Minto Farm Animal Rescue Centre for Wildlife encourages community involvement from many different backgrounds, to engage in work that protects wildlife for future generations of Australians.

The Walking Trails Support Group is a community-based organisation that helps provide sustainable access to natural areas within the Norwood community. Volunteers organize educational programs and social events to encourage conservation and promote environmental sustainability in the region. The Group promotes social inclusion by actively encouraging community participation in the beautification and preservation of the local areas.
West Malke Protection Group works on projects to maintain and enhance biodiversity in the local area. Volunteers maintain the Conservation Park and Reserve to help stop environmental degradation and promote local cultural knowledge among community members. The Group promotes a socially inclusive culture that encourages community members from all walks of life to learn about the environment and engage with their neighbours through a common goal.

The Friends of Paddle Steamer Industry maintain and operate the Murray River Paddle Steamer as an enjoyable avenue for community recreation. Volunteers collaborate to maintain the vessel and organise tours that bring community members together while promoting an understanding of the river environment. By encouraging individuals and families to congregate in a unique endeavour, the Friends foster shared community interests and social integration in the region.

The Friends of the South Australian Whale Centre are a team of volunteers who encourage community integration through a shared appreciation of the environment and a passion for scientific discovery. The Centre attracts volunteers from a range of different backgrounds, who come together to document and promote the region’s unique biodiversity and prepare it for future generations. The Centre serves as a community focal point in the Victor Harbor area, enabling volunteers to connect with friends, learn about their natural surrounds and collaborate for environmental conservation.

Friends Of Youngusband River Care works within the local community to conserve and manage local wetlands. Volunteers undertake a range of restoration and preservation projects and encourage community members of all ages and abilities to get involved. The Group promotes social inclusion by actively encouraging a healthy intergenerational interaction.

The Gambier City Sharks Soccer Club is a community-oriented club that offers community members of many ages and abilities the chance to develop teamwork, discipline and cooperation skills through participation in the sport of soccer. Volunteers contribute by maintaining the grounds, providing essential training services for players and organizing competitive recreational events. The Club is a focal point in the local community, offering young people an enjoyable and active outlet from many cultural and socio-economic backgrounds.

The Gawler Regional Natural Resource Centre is a community-based organisation that encourages local residents to become involved in land care activities. Volunteers provide information to the community to raise awareness of environmental issues and promote the importance of preserving our native flora, as well as offering an avenue for the unemployed to gain valuable work experience and become involved in the community. The Centre seeks to empower, educate and lead the community to achieve greater awareness and future sustainability of the local environment.

Genesis Pregnancy Support provides a range of services to assist women experiencing pregnancy. Volunteers offer counselling and emotional support, run an opportunity shop that provides affordable pre-loved goods, and collaborate with other community groups to offer a comprehensive approach to the welfare and social inclusion of women. Through its voluntary service, the group helps women to build important support networks and integrate with the wider community.

Georgetown Memorial Bowling Club is a community-oriented club that caters for residents of all ages and abilities, including those living with disability. Volunteers offer instruction in the sport of bowls and maintain the clubhouse and grounds as a venue for local community groups and recreational events. The Club encourages community members to become involved in social activity and outdoor activity.

Grandparents For Grandchildren SA Incorporated is a community-based organisation providing a range of services to grandparents who are concerned about the welfare of their grandchildren who may be at risk or in crisis. Volunteers provide material and emotional support, referral services and liaison with government agencies, community and business organisations with an interest in the welfare of children who are at risk of, or subject to, abuse within the family. The Club’s efforts to engage families and community groups to build a sense of connection and mutual support.

Hillier Park Social Club assists elderly community members to establish valuable support networks while actively participating in their communities. Volunteers host recreational activities for participants, including dances, bowls and card nights, and maintain the facilities for other organisations to host their events. By forging connections and supporting a dynamic lifestyle, the Club encourages elderly people to retain their independence and engage with the wider community.

Jubilee City Church Community Care promotes a culture of social inclusion by assisting isolated individuals to engage with the community. Volunteers deliver activities and programs, such as a youth group and an emergency food assistance service, that provide disadvantaged individuals and families with access to important resources and offer opportunities for mutual support. The organisation is a community resource, building connections between people and fostering a culture of empowerment and social integration.

Kairos Prison Ministry Australia assists incarcerated individuals and their families both prior to and after release. Volunteers are the backbone of the Committee, providing emotional support for prisoners and their families and organizing a range of welfare and rehabilitation services that facilitate the reintegration of young people and adults back into the community. The Committee is a valuable resource in the young prison region of South Australia, helping to forge a more secure future for those affected by incarceration.

Kairos Mobile Regional Committee assists incarcerated individuals and their families both prior to and after release. Volunteers are the backbone of the Committee, providing emotional support for prisoners and their families and organizing a range of welfare and rehabilitation services that facilitate the integration of youths and adults back into the community. 5007
Paris Flat Housing Co-operative offers low-cost housing to assist disadvantaged individuals and families. Volunteers from diverse backgrounds are the cornerstone of the Co-operative, undertaking administrative tasks, facilitating access to accommodation and raising awareness of their important work through participation in community events and activities. The Co-operative provides marginalized individuals with opportunities to get back on track and rebuild their lives.

SA Pinjarra & Districts 50’s and Over Incorporated
Pinjarra & Districts 50’s and Over Incorporated
PINNAROO
5104
Pinjarra and Districts 50’s and Over provides older community members with regular activities and a welcoming environment for social interaction. The volunteers create opportunities, such as exercise classes and visitor open days, for isolated community members to connect to society, and assist older Australians to access community resources. By fostering a culture of participation, the organisation provides a support network and an organised group of daily activities for members to enjoy.
Pinnaroo Community is a volunteer-run organisation that encourages people of all ages and backgrounds to come together and share their talents with the community. Volunteers arrange workshops and rehearsals and coordinate performances at community events, such as the ANZAC Day Service. The Choir provides participants with a welcoming, instructive avenue to connect with friends, express their interest in music and collaborate for a more dynamic community.

The Port Adelaide Netball Association is a volunteer-run sporting association that organises social and competitive netball competitions in the region. Volunteers organise competitive activities, manage umpires and hold recreational events that enable local families to come together and socialise. The Association and its devoted volunteers help to foster a more inclusive and integrated community by teaching participants values of teamwork and self-discipline.

Port Adelaide Cricket Club enables local citizens to enjoy one of Australia's favourite pastimes in a friendly, inclusive setting. The Club operates with a base of dedicated volunteers who maintain the grounds, run coaching sessions and organise teams to participate in local competitions. The Club fosters a social inclusion by encouraging both children and adults to become involved in and learn the values of teamwork and self-discipline in a healthy and welcoming environment.

The Port Broughton Progress Association is focused on the continued development of the local community and its resources. Volunteers engage the community to discuss local issues and collaborate on plans to beautify the local environment. The volunteer's hard work creates a strong community identity and ensures the region will remain an attractive place to live and visit.

The Port Community Arts Centre provides a welcoming space for local community members to develop their creative talents and interact through a shared appreciation of the arts. Volunteers foster an informative environment where individuals and families can connect with friends, enjoy regular exhibitions of local work and learn new skills through educational activities and demonstrations. The Centre is regionally focused and promotes community integration by maintaining a wide range of activities and services to residents and visitors to the region. Volunteers coordinate educational events that bring community members together and stimulate an interest in the History of the Port MacDonnell area and its people. This service enables the Museum to build social inclusion and community integration through an appreciation of regional heritage.

The Port Mooroopna Progress Association works within the local community to build social capital and encourage active participation in the management of environmental resources. The volunteers undertake a range of restoration and preservation projects, such as maintenance of walking trails and weed management, and provide opportunities for education. Port Mooroopna Progress Association facilitates social inclusion by actively encouraging community participation in the beautification and preservation of the local region.

The Price Progress Association is focused on the continued development of the local community and its resources. Volunteers encourage the community to discuss local issues and collaborate on plans to address them. The volunteer's hard work creates a strong community identity and ensures the region will remain an attractive place to live and visit.

Port Broughton Progress Association

The Port Lincoln Tennis Association is a volunteer-run sporting club that caters for community members of all ages and abilities. Volunteers contribute by maintaining the grounds and organising competitive and recreational events for local individuals and families. The Association provides community members with a platform to communicate and collaborate on plans to beautify the local environment. The volunteer's hard work creates a strong community identity and ensures the region will remain an attractive place to live and visit.

The Chamber of Commerce organisation in local community enhances tourism and organises awareness of industry and the environment residents and tourists can interact and share their appreciation of the region.

Riverland Wood Workers provides local men and women with opportunities for social interaction and DIY projects. Volunteers provide a supportive environment in which participants can benefit from regular social contact and work towards the improvement of their community by donating their time and efforts for the greater good of the local community.

Riverland Action Planning Community is a community-oriented organisation that promotes sailing to community members of all ages and abilities. Volunteers encourage social inclusion and community development by hosting sailing events to support local initiatives and sponsoring guest speakers. The Club promotes social inclusion, good will and understanding by fostering community spirit and improving the welfare of individuals and families in the community.

The Rotary Club of Berri is a group of dedicated volunteers who donate their time and effort for the greater good of the local community.

The Rotary Club of Clare runs community leadership and development programs and raise funds to provide young indigenous people with scholarships to study. The Club encourages the personal development of individuals with an emphasis on reinvesting their acquired skills and knowledge back into the community.

The Riverland West Local Action Planning Association is a community-based organisation that encourages local residents to become involved in activities associated with natural resource management. Volunteers come from a walk of life and offer their expertise in land care activities, including wetland preservation and tree planting. The Association fosters an inclusive and integrated community by educating local residents about the importance of the environment and its future conservation.

Riverland Wood Workers and Riverland Action Planning Community are part of a broader network of local community organisations working together to enhance the community. Together, they promote social inclusion, understanding, and the importance of the environment in the region.
Scouts is a nationwide organisation that helps children and young people to realise their potential and fosters inclusive and progressive communities. Volunteers from the Berri Scout Group encourage participation by children of all socio-economic and cultural backgrounds in educational, recreational and community-focused activities, such as camping excursions and working bees to improve local amenities. Participation in the Group provides children and adults with a welcoming and informative environment where they can learn skills of leadership and cooperation while becoming active, engaged citizens.

The South Australian Radio Program is a volunteer-run radio station dedicated to providing informative and entertaining radio to the South Australian community. The volunteers work both behind the scenes and on-air to present a range of news, sport and cultural programs and offering training to interested community members. By providing essential entertainment and information services to the South Australian community, the station promotes a culture of inclusion and participation.

The Show Horse Council of South Australia provides opportunities for community members to learn new skills and participate in equitation activities in a socially inclusive environment. Volunteers host competitions and shows, maintain the facilities and promote the council at local and regional events. The Show Horse Council encourages participation from community members of many backgrounds and promotes social integration through shared horse riding experiences.

Soccer Port Augusta offers community members of many ages, backgrounds and abilities the chance to develop teamwork, discipline and cooperation skills through participation in the sport of soccer. Volunteers undertake numerous activities to benefit the club and region, such as administering the club, coaching players and organizing recreational events. As a focal point of the community, the club encourages social inclusion for participants, volunteers and spectators.

The Somali Sport Association of South Australia is a volunteer-run organization that promotes the sport of soccer in the community. The association's goal is to encourage young people to take an interest in soccer, provide a venue for junior and senior teams and events, and facilitate opportunities for unemployed people to participate in projects to gain work experience. The museum aims to strengthen community ties by connecting its visitors with aviation history and providing opportunities for social interaction.

Little Athletics is a national, volunteer-run organisation that promotes childhood health and wellbeing through regular physical activity. Volunteers from the South Australian Little Athletics Association provide a welcoming environment where children of all ages and backgrounds, including many from culturally and linguistically diverse and Indigenous and socio-economically disadvantaged families, can participate in regular competitive and recreational events. The association fosters social inclusion by offering an enjoyable, informative forum where participants can make new friends and learn important social skills such as cooperation and tolerance.

The South Australian Aviation Museum collects, restores and displays aviation memorabilia of historical significance. The museum's volunteers encourage young people to take an interest in aviation, provide a venue for aviation enthusiasts to hold meetings and events and facilitate opportunities for unemployed people to participate in projects to gain work experience. The museum aims to strengthen community ties by connecting its visitors with aviation history and providing opportunities for social interaction.

The organisation provides Islamic women with a supportive environment to come together for regular gatherings, spiritual classes, and leadership camps, and to help establish valuable networks of support.

Berwick District Woodworkers Club Incorporated

The Berwick District Woodworkers Club comprises dedicated volunteers who tirelessly improve the local community. The volunteers provide wooden toys for children living with disability, and foster relationships between older Australians, youth and disengaged community members. The Club provides a socially inclusive environment where local residents interact, share their appreciation of wood and develop a sense of belonging through woodwork and community engagement.

Bethany Community Support Incorporated

Bethany Community Support provides information and social assistance to local community members, with a focus on disadvantaged individuals and families. Volunteers facilitate access to a range of services, such as counselling, housing assistance and health care, which form a valuable network of support for community members in crisis and distress. The organisation is an important local resource that promotes social inclusion, encourages community participation and fosters the welfare of families and individuals in the Henty Shire.

Birchip Range Partners Incorporated

The Birchip Range Partners is dedicated to preserving and sharing the Indigenous culture of the Thornbury region. Volunteers promote cultural and spiritual values of Indigenous Australians to the wider community by facilitating various recreational activities and coordinating fundraising events. By organising cultural activities that celebrate the history of Australia’s Indigenous people, the organisation fosters an ethos of social inclusion and a sense of community pride.

The Birkreiner Nordic Ski Club is a volunteer-run organisation focused on providing community events. Volunteers organise an annual cross-country event that showcases the efforts of local residents and attracts visitors across the region, as well as assisting in search and rescue endeavours and working alongside other community groups to provide information on mountain activities. The Birkreiner Nordic Ski Club encourages participation from all sectors of the community to ensure successful and engaging local events.

The Birregurra & District Lions Club is part of Lions International, an organisation that carries out community and humanitarian projects. Volunteers donate their time and commitment to raise funds in support of local charities and deliver a range of valuable community services, including the provision of wool to disadvantaged residents during the winter months. The Club encourages a culture of social responsibility by fostering the welfare of individuals, families and the wider community.

The Birregurra Community Group is a community-based organisation dedicated to the improvement of the Birregurra community. Volunteers deliver a range of community services to benefit local residents, including liaising with the shire council, and organise recreational activities that promote healthy living and encourage community interaction. The Group works closely with other community groups to identify and address local needs and is an important catalyst in promoting the social inclusion of all.
The Bitola Macedonian Senior Citizen Group provides social interaction for senior citizens of Macedonian descent living in the Whittlesea region. Volunteers organise a variety of recreational activities for elderly residents, such as monthly lunches and traditional music performances, that enable participants to celebrate their cultural heritage while forming support networks that facilitate engagement with the wider community. Participation in the Group fosters a sense of belonging among members and volunteers, which contributes to a more integrated and engaged society.

The Black Rock Football Club enables local citizens to enjoy sporting activity in a friendly, inclusive setting. The Club operates with a base of dedicated volunteers who assist with training, grounds maintenance, fundraising and transport for the players. By teaching young people about healthy lifestyles, team values and social interaction, the Club continues to shape generations of engaged citizens.

The Blackburn Tennis Club offers community members the opportunity to participate in social and competitive junior and senior tennis. Volunteers host social events, coach players, perform Club administration and ensure a safe and supportive environment for participants. The Club encourages social interaction, fitness and community involvement in the sport of tennis across the Blackburn area.

BMX Victoria promotes active lifestyles for people of all ages and abilities through participation in the sport of BMX riding. Volunteers maintain the BMX tracks and conduct introductory training sessions and coaching in a supportive environment. The organisation offers an avenue for the community to participate in recreational BMX riding, providing opportunities for fitness and social interaction.

The Booragoon Network assists individuals living with mental illness to establish valuable support networks while actively participating in their communities. Volunteers organise a variety of recreational and rehabilitation activities for participants, including barbecues and excursions. By forging connections and supporting a dynamic lifestyle, the Network encourages people living with mental illness to retain their independence and engage with the wider community.

The Booragoon Golf Club connects residents from many different backgrounds by acting as a recreational and social hub of the local community. Volunteers contribute by maintaining the grounds, organising fun recreational events for local individuals and families and fundraising through social events. The Club provides community members of many ages and abilities with opportunities to interact socially while benefiting from a healthy and active lifestyle.

The Booragoon Historical Society undertakes research into local buildings, businesses and community groups for the information of interested community members. Volunteers from a range of backgrounds collaborate to document the history of the local region and create an inviting environment where individuals and families can learn about their community. By unearthing and promoting the history of the region for the benefit of local residents, the Society encourages an inclusive society based on mutual understanding and community pride.

The Booragoon Historical Society Incorporated provides a welcoming environment where local individuals and families can connect and buy nutritious, locally-grown produce. The Market is organised by a group of dedicated volunteers, who give their time to set up the event and encourage a wide range of community groups to get involved. By bringing the community together on a regular basis, the Market strengthens social cohesion and the adoption of healthy lifestyles.

The Boronia RSL Sub-Branch Incorporated borrows the RSL Sub-Branch on the Victorian Branch of the Returned and Services League of Australia, which provides welfare services to the veteran community. Volunteers donate their time to facilitate veteran406 access to pensions, health services, welfare benefits and quality aged-care accommodation. The RSL is the centre of a support network that ensures veterans and returned service men and women receive the assistance they require to maintain their independence and connect with the community.

Borondara Stroke Support Group provides essential care services for stroke patients and their carers in the Borondara community. Volunteers organise regular meetings and outings that help to reduce social isolation and assist people affected by stroke to re-integrate into the community. The Group empowers patients and their families to engage with the community and stay connected.

Bowelove Royal Fire Brigade unites volunteers from the local area to train and respond to bushfires, domestic fires and other natural disasters such as floods and storms. Volunteers encourage members of the public to participate in educational activities that impart valuable information on fire safety and prevention, fostering responsibility and community capacity. The Brigade promotes a conscientious approach to fire prevention and provides volunteers with a constructive avenue for community contribution.

Bright United Men's Shed provides an inclusive environment where local men can find mutual support and develop their skills and experience with the community. Volunteers maintain the shed and facilities, offering members a regular avenue to work on craft and construction projects, discuss personal issues and obtain valuable information on men's health and wellbeing. By promoting values of equality and cooperation, the Shed supports a socially inclusive and integrated community.

The Briarra Sports and Social Club connects residents from many different backgrounds by acting as the recreational and social hub of the local community. Volunteers contribute by maintaining the grounds, providing essential facilities and training services for players and organising fun recreational events for local individuals and families. The Club provides residents of many ages and abilities with opportunities to interact socially while benefiting from a healthy and active lifestyle.

The Broadmeadows Historical Society undertakes research into local buildings, businesses and community groups for the information of interested community members. Volunteers from a range of backgrounds collaborate to document the history of the local region and create an inviting environment where individuals and families can learn about their community. By unearthing and promoting the history of the region for the benefit of local residents, the Society encourages an inclusive society based on mutual understanding and community pride.

The Broadmeadows Obedience Dog Club seeks to improve quality of life of community members through the joy of pet ownership. Volunteers organise training sessions and dog obedience workshops that provide participants with the tools required to care for their dogs in a responsible way. The Club offers a 3800 valued service in the West Meadows region, increasing the wellbeing of community members and their canine companions.

The Broadmeadows Remembrance Memorial Association is dedicated to remembering and celebrating the contributions of Australia's service men and women. Volunteers host educational talks at local schools, organise Remembrance Day and ANZAC Day services and assist with transport to connect veterans with their communities. The Association encourages the social inclusion of ex-service members by providing opportunities for community interaction and an appreciation of Australia's service history.

</table>
The Coburg Districts Football Club offers community members the opportunity to participate in competitive senior and representative grade sporting activity. Volunteers deliver training, organise teams to participate in local competitions, and ensure a safe and informative environment for participants. The Club encourages social interaction, fitness and community involvement in the Pascoe Vale region of Melbourne.

Cohuna Districts Progress Association

The Cohuna and District Progress Association is a hands-on, volunteer-run community group that works to improve the welfare of local individuals and families. The Association organises regular recreational events and activities, including annual Australia Day celebrations, that cater to residents of all ages and backgrounds. Participation in the Association enables volunteers to express their community pride and forge a more socially inclusive and progressive community.

Cohuna Mens Shed

Cohuna Men’s Shed is a community-based workshop where men can volunteer their time, skills and experience to support the local region. The Shed’s volunteers coordinate a wide range of informative and entertaining activities for members, as well as working on projects to benefit local community groups and residents.

The Cohuna Patchwork Group provides a welcoming and inclusive environment where women from many different backgrounds can congregate to share life experiences and skills while participating in quilt making. Volunteers donate their talents to produce quality quilts, which are then donated to charity groups, disaster relief operations and hospitals. The Group helps to reduce social isolation by enabling volunteers to establish friendships, form support networks and remain connected to the community.

Cohuna United Cricket Club

Cohuna United Cricket Club is a hub for social activity, offering opportunities for participation in competitive and recreational cricket. Volunteers provide coaching and mentoring for players, organise enjoyable recreational events and perform administrative duties. The Club is socially inclusive, offering the opportunity to develop friendships and strengthen community bonds.

Colac Amateur Swimming Club

The Colac Swimming Club provides local residents with opportunities for fitness and recreation through participation in social and competitive swimming. Volunteers undertake fundraising, organise social events and work closely with members to advance their personal development. The Club is a focal point in the local community, offering young people from many cultural and socio-economic backgrounds a positive venue for recreational activity and social interaction.

Colac Community Road Safety Council

Colac Community Road Safety Council organises community members on the importance of road safety. Volunteers provide Driver Reviver stations, visit local primary schools to educate students on road safety and talk to local sporting groups about responsible use of alcohol. The Council works with local police to ensure roadways are kept safe for residents and visitors of the Colac region.

Coles District Development Association

Coles District Development Association is a community-based organisation established to enhance the Coleraine region for residents and visitors. The Association’s volunteers consult with residents, government bodies and businesses to create a safe, welcoming and enjoyable local environment.

Collingwood Youth Boxing Club

The Collingwood Youth Boxing Club works with young community members, including many from disadvantaged and low-income families, to provide competitive and recreational activities and opportunities for social interaction. The volunteers organise activities that foster a sense of empowerment and social responsibility in participants, including those from culturally and linguistically diverse backgrounds. The Club connects young people with the local community, which fosters a sense of belonging and community spirit.

Combined Probus Club of Korot

The Combined Probus Club of Korot provides older and retired community members with opportunities to form social bonds and remain intellectually active. Volunteers engage with older individuals from all walks of life, including those at risk of isolation, by organising excursions, informative guest speakers and transport for frail and house-bound community members. The Club promotes social inclusion by enabling older individuals to develop valuable support networks and to remain connected members of the community.

Combined Rosedale Rifle Clubs

The Combined Rosedale Rifle Clubs serve as an avenue for integration and participation in the Gippsland region of Victoria. Volunteers donate their time and energy to maintain the grounds and facilities and educate the wider community on safe sporting practices. The Clubs encourage community participation, which includes from people with disability, and maintain a safe environment for pursuit of target range interests.

Committed Artists Limited

Committed Artists Limited provides a welcoming space for local community members to develop their creative talents and interact through a shared appreciation of the performing arts. Volunteers foster a welcoming environment where individuals and families can connect with friends, become involved in local projects and learn new skills through educational activities and demonstrations. The Group is regionally focused and promotes community integration for all age groups.

Community 3777

Community 3777 is a community-based organisation established to ensure that Healesville remains a pleasant place to live and work. The Group educates volunteers with residents, other community groups and businesses to create opportunities for social growth and encourage a town ethos of social inclusion. By fostering a culture of community involvement, the organisation facilitates access to resources and strengthens bonds within the community.

White Room Live Music

White Room Live Music supports a diverse community through the promotion of artistic expression. Volunteers organise community performances, undertake administrative duties and facilitate the involvement of local musical acts. The organisation provides an inclusive avenue through which individuals 5000 and families from all walks of life can be entertained and form connections based on a shared passion for music.

Naidoc Colac

NAIDOC Colac offers a welcoming and informative environment in which community members can gather to learn about Indigenous culture and history. Volunteers encourage community members from all walks of life to participate in NAIDOC celebrations through organised children’s activities, citizen’s awards nights and Welcome to Country ceremonies. The Group connects residents of the Colac region with the community and supports the promotion of Naidoc week and cultural awareness.

Community of Cypriots of the Northern Suburbs

Community of Cypriots of the Northern Suburbs Senior Citizens Club

Community of Cypriots of the Northern Suburbs Senior Citizens Club Epipag is a community-based organisation that offers a weekly recreational and social program to elderly residents. Volunteers contribute by welcoming new members from the community and organising regular meals, bus trips and dinner dances that help participants to be physically and socially active. The Club provides a sense of belonging, strengthens relationships and enhances community participation.
The Greek Cypriot Women’s Group provides social interaction for women of Greek Cypriot background living in the Latrobe region. Volunteers organise a variety of recreational and educational activities for participants, including cooking classes, arts and crafts, and cultural activities, to build social connections. Volunteers coordinate events for elderly residents and provide for their social inclusion through community gatherings and social activities. Participation in the Club fosters a sense of belonging among members and volunteers, contributing to a more integrated and engaged community.

The Community Radio Federation provides a community radio broadcasting service with a focus on local and regional content. The station includes volunteers from across the region who work behind the scenes and on-air presenters of multicultural programs for families that speak a language other than English at home. Through its focus on community programming, the station helps to cultivate a sense of connection among listeners, contributing to a stronger and more integrated community.

Confederazione Fanti d’Italia A.N.S.I Cavielleri della Patrona provides social interaction for senior citizens of Italian descent living in the Reservear region of Victoria. Volunteers organise a variety of recreational activities for elderly residents and provide for their social inclusion through community gatherings and social activities. Participation in the Club fosters a sense of belonging among members and volunteers, contributing to a more integrated and engaged community.

Connect City Church Association offers a safe, welcoming place where community members can find practical and emotional support in times of need. A Volunteer coordinator and deliver a range of vocational, cultural and educational services that aim to engage disengaged community members and assist the integration of newly arrived migrants. The Association encourages social inclusion and fosters support networks based on the principle of mutual, voluntary and community service.

Latrobe Community Centre provides an open and inviting space for local residents to come together and participate in community activities. Volunteers from many backgrounds work together to maintain the Garden, reach out to the community and promote sustainability. The Garden is a hub of activity in the Traralgon region, offering a socially inclusive venue where community members can interact and learn about healthy living.

The Coolaroo West Community House offers a welcoming environment in which community members can congregate and work together to enrich local quality of life. Volunteers at the House promote social inclusion by organizing regular social activities, facilitating access to education and support services and running vocational activities that help participants to find employment. The House represents a community-focused avenue through which local residents of all backgrounds and abilities can benefit from mutual support and collaboration towards a more inclusive, productive community.

Corinella and District Community Centre offers a welcoming environment in which community members can congregate and work together to enrich local quality of life. Volunteers at the Centre promote social inclusion by hosting regular community meetings and facilitating access to support services. The Centre represents a community-focused avenue through which local residents of all backgrounds and abilities can benefit from mutual support and collaboration towards a more inclusive, productive community.

Corio Bay Senior College Family Centre offers a safe, welcoming place where community members can find practical and emotional support in times of need. Volunteers provide activities for young people and coordinate health, family and educational services to build community capacity. The House offers opportunities for community inclusion and fosters support networks based on the principle of voluntary assistance.

Corio Model Railway Club constructs and maintains model train layouts to entertain community members of all ages and backgrounds in Corio and surrounding areas. Volunteers are united in their pursuit of model railway interests and their commitment to sharing this unique attraction with the general public. The Club fosters a sense of belonging among residents and is a catalyst for social inclusion in the community.

The Cornerstone Centre provides vital programs, services and support to isolated and disadvantaged members of the community. Volunteers provide meals, distribute food, clothes and health products, pay for prescription medications and provide shelter and support. The Centre empowers the community by offering support and information, fostering an integrated and caring society.

Rupertswood Cricket Club offers community members of many ages and abilities the chance to develop teamwork, discipline and cooperation skills through participation in the sport of cricket. Volunteers undertake numerous activities to benefit the Club and region, including coaching 1500 players and undertaking umpiring duties on game days. As a local point of the community, the Club encourages social inclusion for players and volunteers.

Lions is a community-focused organisation that fosters social inclusion and strengthens community spirit. Volunteers of the Rushworth and District Lions Club come together to assist disabled and community members, sponsor youth activities and organise community events that raise funds for charitable and important welfare projects. The Club is a valuable community resource and encourages individuals, families and groups to call upon its services in times of need.

Rushworth Community House offers a welcoming environment in which community members can congregate and work together to enrich local quality of life. Volunteers at the House promote social inclusion by organising regular community activities, facilitating access to education and support services and running vocational activities that help participants to find employment. The House represents a community-focused avenue through which local residents of Rushworth can access a range of activities and services.

Rushworth Kindergarten and Childcare plays a vital role for families in the Rushworth community by providing a safe, nurturing and educational environment for young community members. Volunteers maintain the facilities, assist with fundraising activities and facilitate family participation to support the social, physical and intellectual development of children. The Kindergarten facilitates community cohesion by encouraging parents and volunteers to cultivate friendships and long-lasting support networks.

Rushworth Public Park Reserve Committee of Management provides an open and inviting space for local residents to come together and participate in community activities and a range of sports. The Committee consists of volunteers from different backgrounds who work to maintain the Reserve and associated facilities, reach out to the community and promote the benefits of healthy living. The Reserve is a hub of activity in the Rushworth region, hosting community events and fostering social inclusion by offering a welcoming atmosphere where people from many backgrounds can experience regular community interaction.

Russell Creek Cricket Club unites cricket players of all ages and abilities for competition, fitness and social interaction. Volunteers foster a culture of dedication and engagement by managing finances, organising recreational events that involve friends and families and teaching new players skills and techniques. The Club brings together families on match days to support the teams, creating an environment that encourages competition, active lifestyles and camaraderie.

The Box Hill Russian Pensioners Group provides other community members with regular activities and a welcoming environment for social interaction. Volunteers organise a variety of recreational activities for local residents, including parties, informative lectures, and regular social outings. The Group encourages a healthy and positive outlook and seeks to alleviate social isolation among its members and the community.

The Russian Pensioners Group provides social interaction for senior citizens of Russian descent living in the Fitzroy region of Victoria. Volunteers organise a variety of recreational activities for elderly residents, such as parties, informative lectures and regular activities. Participation in the Group fosters a sense of belonging among members and volunteers, which contributes to a more integrated and engaged community.

The Russian Pensioners Group Frankston is a community-based organisation that assists with transport for vulnerable members of the community, including the elderly and people living with disability. Volunteers assist residents in accessing essential services, transport elderly citizens to medical appointments and organise informative meetings and lectures. The interaction between volunteers and residents promotes a culture of social inclusion that enables isolated individuals to connect with their neighbours while accessing community resources.

Russian Paxgroup Carlton offers a safe and educational environment that nurtures each child’s self-esteem, wellbeing and development. Volunteers provide care for children, organise and cater events that facilitate social inclusion and offer language classes to enhance knowledge of Russian culture. The Group provides a social environment that supports children in their early years.

The Russian Saturday School provides a social outlet for families and promotes an inclusive multicultural community. Volunteers mentor and teach young people, organise activities that facilitate the social integration of new migrants and ensure community access to a range of welfare services and resources. The School encourages the development of young people and builds social capital through integration in an environment that fosters cultural understanding and inclusion.

The Russian Senior Citizens Club of Yarraville provides older community members with regular activities and a welcoming environment for social interaction. The volunteers create opportunities for isolated community members to connect to society and assist them in accessing community resources. By fostering a culture of participation, the Club provides a support network for members and an organised group of engaged citizens that strengthens the wider community.

The St George Pathfinders help children and young people to realise their potential and foster inclusive and progressive communities. Volunteers from the 21st Troop encourage participation by children of all socio-economic and cultural backgrounds in educational, recreational and community-focused activities, such as camping excursions and fundraising for people affected by recent natural disasters. Participation in the Troop provides children and volunteers with a 5000 welcoming and informative environment where they can learn the skills of leadership and cooperation while becoming active, engaged citizens.

The Russian House Cultural Advancement Society encourages an inclusive, tolerant community that celebrates its multicultural composition. Volunteers engage with the community through participation in local events, assist newly-arrived individuals and families to access community resources, and organise regular events that foster cultural awareness and promote diversity. The Society provides volunteers with an effective avenue to contribute to an integrated community.

The Rutherglen RSL Sub-Branch is dedicated to improving the welfare of former and current members of the Australian Defence Force. Volunteers offer valuable assistance with pensions and help elderly members to access a range of social, health and welfare services. The Sub-Branch encourages the social inclusion of ex-service members by providing opportunities for regular community interaction and encouraging appreciation of Australia’s service history.

The Rutherglen Swimming Club is a community-focused sporting organisation that aims to promote swimming and encourage healthy lifestyles. Volunteers coordinate barbecues, competitions and weekend swim camps, ensure a safe environment in which swimmers can develop important life skills. The Club encourages community participation and provides regular social contact for swimmers and their families, supporting a cohesive and welcoming atmosphere.
The Bay and Peninsula Greek Senior Citizens Club promotes a multicultural society based on mutual support and understanding. Volunteers organise a range of recreational and socially stimulating activities for the elderly, including hot meals, dances and regular outings. The Club encourages a healthy and positive outlook and seeks to alleviate social isolation among its members and the community.

Salability is a community-focused organisation that provides individuals with disability and their carers with opportunities for outdoor activity and recreational interaction through volunteering. Volunteers of Salability North Hoppers Crossing fulfil diverse roles in the organisation, working together to organise regular outings and promote the club to the wider community. Involvement in Salability enables participants to develop new skills, make new friends and establish valuable support networks.

The Community of Christ promotes a culture of social inclusion by assisting families and individuals to engage with the community. Volunteers from the Bendigo Congregation organise activities and events, such as a bonus club, morning teas and an annual Seniors Christmas Dinner, which provide community members with opportunities to learn new skills and form valuable social connections. The Congregation regularly collaborates with local organisations and welfare groups to address community needs and contribute to an inclusive, comprehensive support network for the Bendigo region.

The Franklin Community Friendship Group offers a variety of programs and services that integrate disadvantaged families and individuals, including those with disability, into the local community. Volunteers facilitate a positive environment in which participants can build self esteem, develop social skills and access resources. The Group offers support, information and hope to those who require assistance, connecting community members to resources and fostering a sense of inclusion throughout the community.

The Saints Melton Basketball Club is a volunteer-run sporting organisation that caters for children and young people of many ages and abilities. Volunteers administer training, organise competitive activities and liaise with local schools to encourage participation by young people of many backgrounds. The Club is 2555 and its devoted volunteers help to foster a more inclusive and integrated community by teaching participants values of teamwork and self-discipline.

Saints Bendigo Baptist Church is a safe, welcoming place where community members find practical and spiritual support. Å Volunteers donate their time to mentor at-risk children and young people, fostering their intellectual and social development and contributing to a more integrated community. Å Through the efforts of 2196 dedicated volunteers, the Church encourages an ethos of community inclusion and fosters support networks based on mutual assistance.

The sale Bridge Club is a community organisation that welcomes all people with an interest in bridge. Volunteers coordinate several bridge sessions each week, which provide intellectual stimulation for participants and encourage the development of community support networks. As a focal point of the community, the Club offers opportunities for recreation and social inclusion for players and volunteers.

The Sale Umpires Association serves as a hub for community activity by facilitating participation in competitive and recreational football. Volunteers provide training for aspiring umpires, deliver umpiring services at local competitions and sporting clubs and work to actively engage community members with disability and those affected by financial hardship. The Association is socially inclusive, offering community members of all backgrounds the opportunity to develop new skills and strengthen community bonds.

Sandringham and District Historical Society is a volunteer-based community centre that provides a wide range of activities and services to residents and visitors to the region. Volunteers coordinate educational events that bring community members together and stimulate an interest in the history of the Sandringham area and its people. This service enables the Centre to build social inclusion and community integration through an appreciation of mutual heritage.

Sandringham Life Saving Club protects local community members by promoting water safety and awareness in the Sandringham area. Dedicated volunteers run first aid and lifesaving courses, patrol local beaches and encourage individuals and families from all backgrounds to participate in Club activities. By enabling local residents to enjoy the water in a secure and supervised environment, the Club enhances community safety and promotes the beach as an 1895-78 inclusive venue for community interaction.

Scots of Victoria Coordinating Group is a team of volunteers who donate their time to foster integration among Victoria's Scottish community. The volunteers offer information on Scottish history, coordinate a regular newsletter and educate community members, and organise Scottish cultural events such as Tartan Day and Highland Gatherings. The Group’s efforts enhance citizens’ identification with their heritage and promote cultural awareness and understanding.

The Sea Lake Recreation Reserve enables local community members to connect with friends and strengthen community ties in a friendly, inclusive setting. The Reserve operates with a base of dedicated volunteers, who assist with maintenance of the grounds and facilities and encourage a wide range of community groups to utilise this valued community resource. The Reserve and its devoted volunteers help to foster a more inclusive and integrated community, enabling people of all ages and abilities to participate in recreation and interaction.

Seaford Quilters provides local residents with opportunities for recreation and interaction in a supportive and welcoming environment. Volunteers unite individuals and families from a variety of backgrounds to learn new skills through informative demonstrations, and regularly distribute handmade quilts to community members in need. Å The organisation provides residents of Altona with an important social outlet and encourages lasting friendships based on a 5000 shared appreciation of quilting.

The Parent Club of Seaford North Primary School is a team of dedicated volunteers who collaborate to enhance the Farm and Bush Reserve. The volunteers organise working bees to undertake maintenance, promote the Reserve as a venue for social interaction and invite other community groups such as local cross-country clubs, schools and bird watching clubs to visit and make use of the Reserve’s resources. The Club creates a socially inclusive atmosphere, engaging the community and educating the public on healthy, sustainable living.

Senior Multicultural Skill Exchange Group delivers a variety of support services for elderly European women within the Moonee Ponds community. Volunteers come from a variety of backgrounds and are committed to helping women bridge cultural divisions and establish productive and happy lives in the community. The Group provides a social environment in which women can build valuable friendships and share their experiences to formulate networks of 2000 practical and emotional support.

Senjuns Hockey Club brings together hockey players of all ages and abilities through competition, fitness and social interaction. Volunteers provide training and coaching to the players and promote the Club through fundraising efforts at community events. The Club brings together families on match days to 2335 support the teams, creating an environment that encourages competition, active lifestyles and friendship.
Serpentine Playgroup

Serpentine Playgroup aims to promote and foster the welfare of children and families in the local community. The Wellington Mills Community Association works to encourage active participation in the management of environmental resources. Volunteers undertake a range of restoration and preservation projects, such as bike trail maintenance and re-vegetation to protect native flora and fauna, and deliver educational programs to school aged children. The Association promotes social inclusion by actively encouraging community participation in the beautification and protection of the local region.

The Wickepin Art and Craft Association provides a welcoming space for local community members to develop their creative talents and interact through a shared appreciation of the arts. Volunteers bring individuals and families together to learn new skills through informative demonstrations and engage in regular workshops that enable participants to develop their artistic talents. The Association provides residents of Wickepin with an important social outlet and encourages lasting friendships based on a shared appreciation of the arts.
The Wickepin Community Resource Centre offers a welcoming environment in which community members can congregate and work together to enrich local quality of life. Volunteers at the Centre promote social inclusion by facilitating access to education and support services and running vocational activities that help participants to find employment. The Centre represents a community-focused avenue through which local residents of all backgrounds and abilities can benefit from mutual support and collaborate towards a more inclusive, productive community.

Wickepin Football Club is a community sporting organisation that welcomes all people with an interest in Australian Rules football. Volunteers administer the Club’s business and work with the players to advance their physical and personal development. By teaching children about strategy, fair play and friendly competition, the Club strengthens ties within the Wickepin region and explores community spirit.

Wirrimanu Aboriginal Corporation provides mentoring and leadership to young Indigenous people in the Halls Creek region. Volunteers provide emotional guidance to at-risk youth, liaise with government bodies to facilitate welfare support, and administer programs that strengthen family bonds and improve school attendance and retention rates. The Corporation relies heavily on the dedicated efforts of its volunteers and has become a centre for Indigenous involvement and support.

Women United for Development Incorporated promotes social assistance for families in many backgrounds, including young people, those with disability and the socio-economically disadvantaged. The organisation contributes to the healthy development of the town by offering community collaboration and promoting values of tolerance and mutual support.

Wongan Hills Youth and Community Development Group Incorporated works with the local community to provide meaningful activities, raise funds for community groups and offer valuable opportunities for social interaction. Volunteers encourage participation by community members from many backgrounds, including young people, those with disability and the socio-economically disadvantaged. The organisation contributes to the healthy development of the town by offering community collaboration and promoting values of tolerance and mutual support.

Yakanarra Aboriginal Corporation provides mentoring and leadership to young Indigenous people in the Yakanarra region of Western Australia. Volunteers provide guidance to local youth and administer programs that strengthen family bonds and improve school attendance and retention rates. The Corporation relies heavily on the dedicated efforts of its volunteers and has become a centre for Indigenous identity in the region.

Yarloop Community Resource Centre provides information and social assistance to local community members with a focus on disadvantaged individuals and families. Volunteers facilitate access to a range of services, such as education and information technology, which form a valuable network of support for community members in crisis and distress. The Centre is an important local resource that promotes social inclusion, encourages community engagement and fosters the welfare of families and individuals in the Yarloop region.

The Yarloop Playgroup offers a safe and educational environment that nurtures each child’s self-esteem, well-being and development. Volunteers maintain the facility and encourage family participation in activities to support the social, physical and intellectual development of children. The Playgroup promotes community cohesion by assisting parents and volunteers to cultivate friendships and long-lasting support networks.

YMCA of Perth Youth & Community Services is a community based organisation that provides children and their families with access to support and education. Volunteers assist parents to gain access to professional support agencies, information on health and community based networks and services.

YMCA of Perth Youth and Community Services is a community-based organisation that provides children and their families with access to support and education. Volunteers assist parents to gain access to professional support agencies, information on health and community based networks and services.

Zande Association in Western Australia promotes the cultural heritage of the Zande people through various events and regular classes that assist young people of Zande descent to learn about their cultural heritage. The Association provides volunteers with an effective avenue through which to promote Zande culture and contribute to an integrated community.
