Department of Social Services Enterprise Agreement 2018 to 2021

The Department of Social Services Enterprise Agreement 2018 to 2021 commenced operation on 21 January 2019.

The Agreement is to be read together with the undertaking given by the department at Addendum B. The undertaking is taken to be a term of the Agreement.

A change to the application of the Government's Workplace Bargaining Policy (effective 30 October 2018) provided agencies with the discretion, in certain circumstances, to apply the first pay increase of approved enterprise agreements from 12 weeks after a successful ballot.

In recognition of the successful ballot in August 2018, and the time taken to assess the Agreement, on 15 January 2019, the Secretary of the Department of Social Services signed a determination under subsection 24(1) of the *Public Service Act 1999* to provide the first salary increase under the Agreement from the effective date of 9 November 2018. A copy of the signed determination is at Addendum A.

- the Secretary of the Department of Social Services (“the department”) (on behalf of the Commonwealth); and
 - all departmental employees other than Senior Executive Service employees.

COMMENCEMENT AND DURATION

- 1.3 This Agreement commences on 22 October 2018, or seven days after it is approved by the Fair Work Commission, whichever is later. This Agreement shall nominally expire three years after the date of commencement.

GUIDELINES AND POLICIES

- 1.4 Any guidelines, policies and procedures referred to in this Agreement are not incorporated into, and do not form part of, this Agreement. A term of this Agreement prevails to the extent of any inconsistency with a guideline, policy or procedure.

DELEGATION

- 1.5 The Secretary may, in writing, delegate to or authorise a person to perform any of the Secretary’s powers or functions under this Agreement including the power to sub-delegate.

PART 2 – PERFORMANCE AND SUPPORT

PERFORMANCE MANAGEMENT FRAMEWORK

- 2.1 All employees and their managers will participate in the department's performance management framework.
- 2.2 The purpose of the performance management process is to:
- a) develop a culture of high performance in the department;
 - b) align individual performance requirements with business requirements;
 - c) ensure that employees have a clear understanding of their role, and the performance standards expected of them; and
 - d) identify and plan for learning and development needs.
- 2.3 The principles of the performance management process are:
- a) Joint responsibility – employees and supervisors will participate in all aspects of the performance management process, including initiating reviews, and seeking and providing feedback as required.
 - b) No surprises – the performance process will ensure that employees are aware of their performance progress. Managers should identify and address performance concerns at the earliest opportunity.
 - c) Fair – the performance process will provide employees with an opportunity to respond to performance feedback, consistent with natural justice principles.
 - d) Holistic – work outcomes and performance measures will be realistic, within the employee's control and consistent with their work level.
- 2.4 The performance cycle for all employees will run from 1 July each year to 30 June in the following year.
- 2.5 An employee and their supervisor will develop a Performance Agreement within four weeks (or a longer period as agreed) of:
- a) the commencement of a new performance cycle; and/or
 - b) starting in a new position, either temporarily or permanently, at the same or a higher level, where duties in that position are expected to be undertaken for at least 3 months.

STUDY ASSISTANCE

- 2.6 The Secretary may provide assistance of up to 5 hours study leave per week (10 hours for employees with a disability or who are Aboriginal and Torres Strait Islander employees) during semester, 3 hours travel time per week during semester and \$1,500 reimbursement of fees per semester to a maximum of \$3,000 per annum (where study is across more than one

semester) for employees undertaking a course of study that is considered to be of benefit to the department.

SUPPORT FOR PROFESSIONALS

- 2.7 The Secretary may approve reimbursement for the cost of annual membership fees of associations up to \$750 a year where membership of the association is essential to enable the employee to undertake their duties.
- 2.8 The Secretary may approve reimbursement of up to \$42 a year per employee towards annual membership of other professional associations relevant to the work of the department.

FAMILY AND DOMESTIC VIOLENCE SUPPORT

- 2.9 The department is committed to supporting employees affected by family and domestic violence. The department will take a flexible and supportive approach to assisting affected employees, as appropriate, in the individual circumstances. Employees are encouraged to discuss which avenues of support are available to them with their manager or with Human Resources.
- 2.10 An employee affected by family and domestic violence may be granted personal/carer's leave as per clause 6.23, for the purposes of:

PART 3 – REMUNERATION

SALARY INCREASES

- 3.1 The salary rates that will be paid during the life of this Agreement are detailed in Appendix A of this Agreement.

 - c) 24 months after the date of commencement – 2%
- 3.3 Employees who, on commencement of the Agreement, are in receipt of a salary above the top of the range increment point for their classification following the salary increases at Appendix A will not be eligible for the relevant salary increases. These employees will remain on their current salary and subject to satisfactory or higher performance in the previous performance assessment period will be eligible for:
- on commencement of the Agreement, a one-off payment of 1% of their pre-Enterprise Agreement salary;
 - in year two, a one-off payment of 1.5% of their pre-Enterprise Agreement salary; and
 - in year three, a one-off payment of 0.5% of their pre-Enterprise Agreement salary.

The timing of these one-off payments will occur at the same time as the increase to salary rates outlined in clause 3.2. These payments will not count as salary for any purpose.

- 3.4 Employees who, on commencement of the Agreement, were in receipt of a salary above the top of the range increment point for their classification following the salary increases at Appendix A will transition to the salary structure when their salary no longer exceeds the top of the range increment point for their classification. Where an employee on transition to the structure receives a salary increase less than the value of the one-off payment available at that time they will receive the one-off payment in addition to the salary adjustment.

INDIVIDUAL FLEXIBILITY ARRANGEMENTS

- the employee has an agreed Performance Agreement in place; and performed at a satisfactory or higher level.

3.13 If the employee meets the above requirements for salary advancement whilst on temporary assignment the rating will be considered to apply equally to the employee's nominal classification.

3.14 Where advancement to a higher pay point has been attained, it is retained for future periods of temporary performance at that higher classification unless the employee has not undertaken temporary performance at that classification or higher within 24 months from the date of cessation of the temporary performance.

Salary advancement for non-ongoing employees

3.15 A non-ongoing employee who is not at the top of their salary range for the employee's classification or within the same classification in a Broadbanded Local Title will be eligible to have their salary increased by one pay point from 1 September each year, subject to the employee having met the following conditions:

- 3.17 Where an employee is assigned duties to a lower classification on a temporary or ongoing basis, the Secretary may transfer the employee to any pay point within that range including the top pay point in the lower classification.

If the Secretary determines there are special circumstances associated with the duties, including the requirement to exercise significant delegated authority, payment may be made for a shorter period.
- 3.20 An employee performing all of the duties of a position at a higher classification may be paid temporary performance allowance equal to the difference between the employee's usual salary and the base salary of the higher classification unless the Secretary approves payment at a higher salary having regard to the employee's:

- 3.24 Where an employee exercises superannuation choice to a fund other than the Public Sector Superannuation Accumulation Plan, employer superannuation contributions will be no less than 15.4% of an employee's fortnightly contribution salary. This will not be reduced by any other contributions made through salary sacrifice arrangements.
- 3.25 For employees who take paid and/or unpaid parental leave (which includes maternity, parental, adoption and foster and permanent care leave), employer contributions will be made for a period equal to a maximum of 52 weeks as if

the entire period of leave was paid leave, in accordance with the rules of the appropriate superannuation scheme. Contributions will be based on the employer contribution amount in the full pay period immediately prior to commencing leave. The 52 week period will be reduced by any period of paid maternity, adoption, foster care or supporting partner leave.

- 3.26 Employer superannuation contributions will not be paid on behalf of employees during other periods of unpaid leave not specified in clause 3.24 that do not count as service, unless otherwise required under legislation.
- 3.27 The Secretary may choose to limit superannuation choice to complying superannuation funds that allow employee and/or employer contributions to be paid through fortnightly electronic funds transfer using a file generated by the department's payroll system.
- 3.28 Any fees applied by a chosen fund associated with the administration of superannuation contributions will be borne by the employee.
- 3.29 Existing Public Sector Superannuation and Commonwealth Superannuation Scheme arrangements will continue in accordance with the relevant legislation and requirements and based on an employee's fortnightly contribution salary.

LOADING FOR CASUAL EMPLOYEES

- 3.30 Employees engaged on an irregular or intermittent basis (casual employees) will receive a loading of 20 per cent of salary in lieu of public holidays not worked, and paid leave except long service leave which will be provided in accordance with the long service leave legislation.

SUPPORTED SALARY RATES

- 3.31 Supported wage rates (Appendix B) apply to an employee with a disability who is eligible for consideration under the Supported Wage System.

SALARY PACKAGING

- 3.32 All ongoing employees and non-ongoing employees with initial contracts of at least three months will have access to salary packaging.
- 3.33 Where an employee takes up the option of salary packaging, the arrangements will not reduce the employee's salary for superannuation purposes or any other purpose.
- 3.34 The employee will meet the costs of any salary packaging arrangement, including any fringe benefits tax and administrative costs incurred by the department.

DEATH OF AN EMPLOYEE

- 3.35 Where an employee dies, or the Secretary has directed that an employee will be presumed to have died on a particular date, payment may be made to the dependants or partner or legal personal representative of the former employee of an amount that would have been paid if the employee had otherwise ceased employment either by resignation or age retirement on that day.

- 5.14 The maximum flex credit which can be carried from one settlement period to another is 37 hours and 30 minutes unless otherwise agreed in writing. The maximum flex debit which can be carried from one settlement period to another is 22.5 hours.

5.29 Shift penalties or shift allowance are payable during periods of annual leave and are not payable during other periods of leave, subject to the long service leave legislation. They may count as salary for some superannuation purposes subject to eligibility provisions in relevant superannuation legislation.

5.30 Where a public holiday occurs on a day when the employee who is regularly rostered to perform shiftwork on at least six days of the week, is rostered off duty, the employee is entitled to:

- a) leave for a day instead of the public holiday; or
- b) an amount equal to salary for a day based on the single hourly rate on that day for the employee.

This clause will not apply in South Australia if the public holiday is a public holiday solely because it is a Sunday.*

**Note: Sundays are a public holiday in South Australia due to the operation of the Holidays Act 1910 (SA)*

5.31 Where a shiftworker works to a roster including weekend days, the employee will be entitled to an additional half day's annual leave for each Sunday on rostered duty up to a maximum of an additional 5 days annual leave.

EXECUTIVE LEVEL EMPLOYEES – OVERTIME AND RELATED PAYMENTS

5.32 Unless approved by the Secretary in exceptional circumstances, Executive Level or equivalent employees are not eligible to receive overtime or other related payments, including emergency duty, restriction duty, and meal allowance.

OVERTIME

5.33 Overtime is only to be worked with the approval of the Secretary for work performed in addition to an employee's ordinary hours. For part-time

employees, approved overtime would relate to work directed to be performed which is in addition to the employee's regular hours or is beyond the total hours of work over the settlement period specified for the employee in the employee's Part-Time Employment Agreement.

- 5.34 Where necessitated by operational requirements, the Secretary may direct an employee to work overtime outside regular hours (Clause 5.8).
- 5.35 For an employee eligible to receive overtime payments, overtime hours worked will be paid or, where agreed, time off in lieu of overtime payments will accrue at the following penalty rates:
- overtime worked Monday to Saturday will be paid at time and a half for the first three hours each day and double time thereafter;
 - overtime worked on Sunday will be paid at the rate of double time; and
 - overtime worked on a public holiday will be paid at the rate of double time and a half, including the single time already paid for the public holiday, except in South Australia if the public holiday is a public holiday solely because it is a Sunday.*
- *Note: Sundays are a public holiday in South Australia due to the operation of the *Holidays Act 1910 (SA)*.
- 5.36 Where the Secretary agrees, employees who are eligible for an overtime payment for time worked (including overtime payments while on restricted duty), may elect to take time off in lieu at the appropriate penalty rate.
- 5.37 Where time off in lieu of payment has been agreed, but the employee has not been granted that time off within four weeks or another agreed period due to operational requirements, the employee may elect to receive payment of the original overtime or time worked while on restriction duty.
- 5.38 Salary rates for the purposes of calculating overtime include any allowance in the nature of salary (Refer Appendix C).
- 5.39 Where overtime is continuous with ordinary hours, overtime payments will be made for hours actually worked i.e. there will be no minimum period for which overtime will be paid. Where overtime is not continuous, payment will include payment for reasonable travelling time but there will be no minimum payment.

EMERGENCY DUTY

- 5.40 Where the Secretary directs that an employee is called for duty to meet an emergency outside ordinary hours and the employee has received no notification prior to ceasing ordinary hours of work/duty the employee will be paid at the rate of double time for the actual period of attendance at work, including time necessarily spent travelling to and from duty, or for a minimum of two hours, whichever is the greater.

REST PERIOD

- 5.41 Where the Secretary directs an employee to work outside their ordinary/regular hours, the employee will be entitled to an eight hour break plus reasonable travelling time before commencing work again, without any loss of pay. Where this is not possible due to operational requirements, the

employee will be paid for subsequent periods of work at double the hourly rate for the hours worked, until the employee has taken an eight hour break.

RESTRICTION DUTY

- 5.42 Where the Secretary directs an employee to be contactable and to be available to perform extra duty outside the bandwidth, for a period(s) of no less than 12 hours per period unless a reduced period is required and is approved by the Secretary, the employee will be paid a Restriction Allowance at a flat rate of \$45 per weekday and \$55 for Saturdays, Sundays, public holidays and closedown days. That is, if an employee is on restriction for less than one day, they will still receive the daily rate.
- 5.43 Where an employee in receipt of a Restriction Allowance is recalled to duty at a place of work, a three hour minimum overtime payment will apply and where the employee is required to perform duty, but is not recalled to a place of work, a one hour minimum overtime payment will apply. The rate of payment for any overtime worked will be in accordance with clause 5.35.
- 5.44 Restriction allowance will continue to be paid for periods of overtime worked while restricted.
- 5.45 Restriction Allowance is not payable to an employee while they are on leave.

OVERTIME MEAL ALLOWANCE

- 5.46 The Secretary will approve the payment of an overtime meal allowance to an employee who works approved overtime before or after ordinary hours or for a period not continuous with ordinary/regular hours of work/duty, i.e. on weekends or public holidays, or outside their regular hours, to the completion of or beyond a meal period with a break for a meal and is not entitled to payment for that break or without a break for a meal over the following meal periods:
- 7.00am to 9.00am
 - noon to 2.00pm
 - 6.00pm to 7.00pm
 - midnight to 1.00am.
- 5.47 Overtime meal allowance will be varied in accordance with rates published by the approved subscription service. It is not an allowance in the nature of salary.

EXECUTIVE LEVEL EMPLOYEES – TIME OFF IN LIEU

- 5.48 The department recognises that the hours worked by Executive Level employees may not be regular and that the focus on high-level achievement at this level may result in work being performed in addition to ordinary hours.
- 5.49 The department does not support Executive Level employees working unreasonable additional hours. Managers and Executive Level employees should work together to manage workload requirements, working hours and work/life balance.
- 5.50 Where an Executive Level employee works additional hours, the Secretary may grant access to Time Off In Lieu. In determining Time Off In Lieu

arrangements for an Executive Level employee, the Secretary will consider the employee's work and personal circumstances. Time Off In Lieu is not an hour for hour arrangement.

PUBLIC HOLIDAYS

5.51 Employees will be entitled to the following public holidays each year:

- 1 January (New Year's Day);
- 26 January (Australia Day);
- Good Friday;
- Easter Monday;
- 25 April (Anzac Day);
- The Queen's birthday holiday (the day on which it is celebrated in a State or Territory or a region of a State or Territory);
- 25 December (Christmas Day);
- 26 December (Boxing Day);
- Any other day, or part-day, declared or prescribed by or under a law of a State or Territory to be observed generally within the State or Territory, or a region of the State or Territory, as a public holiday. Other than a day or part-day, or a kind of day or part-day, that is excluded by the *Fair Work Regulations 2009* from counting as a public holiday.

5.52 If under a state or territory law, a day or part-day is substituted for one of the public holidays listed above, then the substituted day or part day is the public holiday.

5.53 The Secretary and an employee may agree on the substitution of a day or part day that would otherwise be a public holiday having regard to operational requirements.

5.54 An employee, who is absent on a day or part-day that is a public holiday in the place where the employee is based for work purposes, is entitled to be paid for the part or full day absence as if that day or part-day was not a public holiday, except where that person would not normally have worked on that day.

5.55 Where a public holiday falls during a period when an employee is absent on leave (other than a period of leave that counts as service there is no entitlement to receive payment as a public holiday. Payment for that day would be in accordance with the entitlement for that form of leave. Payment for an employee on long service leave will be in accordance with the applicable legislation.

5.56 If under a law of a State or Territory every Sunday is declared or prescribed by or under that law to be a public holiday, there is no entitlement to receive payment as a public holiday if the employee would have worked, or does perform work, on that day. In these circumstances, payment will only be made at the public holiday rate of pay if the employee performs work on that day, and the Sunday would otherwise be a public holiday under clauses 5.51 and 5.52.

CHRISTMAS AND EASTER CLOSEDOWNS

- 5.57 The department will close its normal operations from 12:30pm on the last working day before Christmas Day, with business resuming on the first working day after New Year's Day (close down).
- 5.58 All departmental workplaces will be closed for business from 3.00pm on Easter Thursday.
- 5.59 There will be no deduction from leave credits for the closedown days.
- 5.60 Employees will be provided with time off for the working days covered by the 'close down' period referred to in Clauses 5.57 and 5.58 and will be paid in accordance with their ordinary hours of work.
- 5.61 Where an employee is absent on paid leave, on both sides or on one side of the closedown period, payment for the closedown period will be in accordance with the employee's ordinary hours of work.
- 5.62 Employees on leave without pay on either side of the close down periods will not be paid for the closedown days.
- 5.63 Employees directed to attend for duty during periods that would otherwise be regarded as working time during the Christmas and Easter closedowns will be eligible for payment or time off in lieu on the same basis as for duty on a Sunday.

PART 6 – LEAVE

NOTIFICATION OF ABSENCE

- 6.1 Employees are required to notify their manager (or if unavailable, an agreed alternative person) of their intended absence as close as possible to the employee's normal commencement time. If the employee is unable to provide prior notification of their intended absence, the employee should contact the manager by phone (and not by email or text message) unless this is not practicable.

PORTABILITY OF LEAVE

- 6.2 Where an employee moves (including on promotion or for an agreed period) from another agency where they were an ongoing APS employee, the employee's unused accrued annual leave and personal/carers leave (however described) will be recognised, provided there is no break in continuity of service.
- 6.3 Where an employee is engaged in the department as either an ongoing or non-ongoing employee immediately following a period of ongoing employment in the Parliamentary Service or the Australian Capital Territory Government Service, the employee's unused accrued annual leave and personal/carers leave (however described) will be recognised unless the employee received payment in lieu of those entitlements on termination of employment.
- 6.4 For the purposes of this clause:
- 'employee' has the same meaning as under the *Public Service Act 1999*.
 - 'Parliamentary Service' refers to employment under the *Parliamentary Service Act 1999*.
- 6.5 Where a person is engaged as an ongoing employee, and immediately prior to the engagement the person was employed as a non-ongoing APS employee, the Secretary may, at the employee's request, recognise any accrued annual leave and personal/carers leave (however described), provided there is no break in continuity of service. Any recognised annual leave excludes any accrued leave paid out on separation.

UNAUTHORISED ABSENCE

- 6.6 Where an employee is absent for any period without approval, the absence will be unpaid and will not count as service for any purpose.

REIMBURSEMENT OF COSTS ON CANCELLATION OF LEAVE

- 6.7 Where an employee has leave cancelled by the department or is recalled to duty and will incur additional and/or unrecoverable costs as a direct result, the Secretary will reimburse reasonable costs on submission of proof of expenditure. An employee will not be entitled to reimbursement if the costs incurred are otherwise recoverable.

SCHOOL HOLIDAY / FAMILYCARE REIMBURSEMENT

- 6.8 Where an employee with school children has approved leave cancelled or is required to return from leave early because of the department's business requirements during school holidays, the Secretary may reimburse the amount paid by the employee for each school child attending approved or registered care for the approved period of leave.
- 6.9 Where an employee has approved leave cancelled or is required to return from leave early because of the department's business requirements and where the employee can demonstrate that they would otherwise have taken personal responsibility for caring for other family members, the Secretary may reimburse some or the entire amount paid by the employee for that family care.
- 6.10 Casual employees will not normally be eligible for the reimbursement.
- 6.11 Reimbursement will apply only for the days when the employee is at work, except in exceptional circumstances determined by the Secretary.
- 6.12 Reimbursement will be net of any government subsidy provided to the employee.

ANNUAL LEAVE

- 6.13 A full-time employee is entitled to 20 days paid annual leave accruing daily and credited monthly in arrears. Part-time employees accrue 20 days annual leave per annum calculated on a pro-rata basis.
- 6.14 The Secretary may approve annual leave at either full or half pay. If leave is taken at half pay the deduction from an employee's annual leave credits will be half the period of leave taken.
- 6.15 Employees living in remote localities accrue additional annual leave credits as outlined in Part 8.
- 6.16 Where an employee has accrued more than 40 days annual leave or a pro-rata amount for part-time employees (or in the case of employees in remote localities who are entitled to additional annual leave - more than 2 years credit), the Secretary may direct the employee to take a period of leave of not more than a quarter of the total leave accrued.
- 6.17 An employee may not be directed to take annual leave where the employee:
- has made an application for annual leave of a period greater than 10 days for full-time employees or a pro-rata amount for part-time employees in the previous 6 month period and the application was not approved; or
 - is following a management strategy to reduce the employee's amount of accrued leave, which has been agreed with their manager.
- 6.18 An employee's accrual of annual leave will be reduced where a period or periods of leave without pay that is not to count as service exceeds 30 days in a calendar year. Where leave without pay not to count as service covers an entire calendar year, no annual leave credit accrues for that year.

VOLUNTARY CASH OUT OF ANNUAL LEAVE

- 6.19 The Secretary may approve an application by an employee to cash out any amount of the employee's accrued annual leave entitlement provided that:
- the employee's remaining balance of annual leave credit does not fall below 20 days or an equivalent pro rata amount for part-time employees;
 - the cashing out is agreed between the Secretary and the employee in writing; and
 - the employee is paid the full amount that would have been paid to the employee had the employee taken the leave that is cashed out.

PERSONAL/CARER'S LEAVE

Accrual of personal/carer's leave credits

- 6.20 Ongoing employees will receive a credit of 10 days personal/carer's leave (pro-rata for part-time employees) on engagement and then be entitled to accrue 8 days personal/carer's leave (pro-rata for part-time employees) in their first year of employment. They will then accrue 18 days for each year of service accruing daily (pro-rata for part-time employees) and credited at the completion of each month.
- 6.21 Non-ongoing employees will receive a credit of 18 days personal/carer's leave (pro-rata for part-time employees) per year, accruing daily and credited at the completion of each month.
- 6.22 An employee's accrual of personal/carer's leave will be reduced where a period or periods of leave without pay that is not to count as service exceeds 30 days in a calendar year. Where leave without pay not to count as service covers an entire calendar year, no personal/carer's leave credit accrues for that year.

Approval of personal/carer's leave

- 6.23 The Secretary may approve personal/carer's leave with pay for an employee who is absent in the following circumstances:
- due to personal illness or injury (sick leave), including attendance at preventative medical appointments;
 - to provide care or support (carer's leave) to a member of the employee's family or household because of:
 - the member's personal illness or injury;
 - an unexpected emergency affecting the member.
- 6.24 The Secretary may, in exceptional circumstances, approve an employee's request to convert their paid personal/carers leave credits to half pay to cover a period of leave in clause 6.23. If leave is taken at half pay the deduction from an employee's personal/carer's leave will be half the period of leave taken.

Where an employee has insufficient personal/carer's leave credits

- 6.25 Where an employee has insufficient paid leave entitlements, the Secretary, in exceptional circumstances and subject to the provision of suitable evidence, may grant personal/carer's leave with or without pay (to count or not to count as service).

Evidence for taking personal/carer's leave

- 6.26 An employee is required to provide evidence to be entitled to paid personal/carer's leave, where the employee is absent from work:
- for a period in excess of three consecutive work days; and/or
 - for any absence taken in excess of eight days (pro-rata for part-time employees) paid personal/carer's leave without supporting evidence per calendar year.
- 6.27 Evidence for the purposes of personal/carer's leave means:
- a medical certificate from registered health practitioners and registered health providers;
 - a statutory declaration, if it was not reasonably practicable for the employee to obtain a medical certificate (it must set out why the employee is or was unable to attend work, and why it was not reasonably practicable for them to obtain a medical certificate); and/or
 - with the prior agreement or direction of the Secretary another form of evidence, including no evidence. If an employee has a personal illness or injury which requires ongoing treatment, and/or may result in the employee taking personal/carer's leave for illness or injury on a regular or intermittent basis, and the Secretary has received medical evidence confirming the ongoing condition, the Secretary may approve future leave based on the initial medical evidence if that medical evidence supported the future absence.
- 6.28 The Secretary may require an employee to provide evidence in other circumstances. This may include where repeated and frequent single day or short term absences occur; or the employee has a pattern of taking a particular day off (e.g. Mondays). If the employee does not provide the required evidence within a reasonable period, the absence will be treated as unauthorised leave.

Interaction with other leave types

- 6.29 In addition to the provisions of section 89 (2) of the *Fair Work Act 2009* an employee on annual and purchased leave can, on production of evidence, apply to take personal/carer's leave for illness, injury, or caring purposes and have the purchased leave re-credited.

In the event of an emergency situation an employee will be reimbursed reasonable accommodation costs as determined by the Secretary.
- 7.2 Allowances payable for meals and incidentals are those published by the approved subscription service and provide a guide to delegates approving expenditure.
- 7.3 Where an employee elects to stay in non-commercial accommodation, an allowance of \$50 per night will be payable through the payroll system in addition to any allowances payable for meals and incidentals.

Adjustment of allowances

- 7.4 Where official travel arrangements are varied, the amount of allowance payable will reflect the revised itinerary. Employees will be required to repay and the department will recover, any resulting overpayment in travelling allowance in accordance with the Secretary's Instructions regarding Debt Management.
- 7.5 Where meals and/or accommodation are otherwise provided at the department's expense or another organisation/entity's expense, the allowances payable under this Part will be reduced accordingly.

- 8.4 The annual rate of remote locality assistance payable for each grade of remote locality is listed in the Remote Locality Assistance table below.

- 8.7 The Secretary may also approve fares reimbursement for employees and their dependants living in a designated remote locality in the following circumstances:
- for medical, emergency dental or specialist medical treatment for the employee and any dependants or a spouse or partner residing with them; or
 - where a family member of the employee or the employee’s spouse dies or becomes dangerously or critically ill; or

PART 9 – RESIGNATION, RETIREMENT, REDEPLOYMENT, REDUNDANCY AND REDUCTION

RESIGNATION AND RETIREMENT

9.1 Where practical, an employee should give the Secretary at least two weeks' notice in writing or via email of their intention to resign or retire. The written notification of resignation or retirement should include the date and time of effect.

REDEPLOYMENT, REDUNDANCY AND REDUCTION

9.2 The redeployment, redundancy and reduction provisions only apply to ongoing employees who are not on probation.

9.3 The department will take all reasonably practicable steps to avoid the use of compulsory redundancy or redeployment.

9.4 The department will assist employees to maximise their redeployment opportunities within the department and the wider APS and will fund relevant career and financial counselling in accordance with clause 9.17.

Definition

9.5 An employee will be considered excess where:

- the employee is part of a class of employees that is larger in size than is necessary for the efficient and economical working of the department; or
- the services of the employee can no longer be used effectively because of technological or other changes in the department or changes in the nature, extent or organisation of the functions of the department; or
- the duties usually performed by the employee are to be performed at a different locality, the employee is not willing to perform duties at the new locality and no suitable alternative duties can be identified at the current locality.

Notification and consultation

9.6 The Secretary will notify employees who are likely to become excess as early as possible and, where they choose to have a representative, their representatives will also be notified.

9.7 The initial notification will usually occur orally to maximise the time employees have to consider their options.

9.8 When the department becomes aware that a significant excess staffing situation may develop, the Secretary will advise relevant employees, managers and employee representatives.

Discussion period

9.9 Following the initial notification the Secretary will write to the potentially excess employee(s) formally notifying them of the situation and advising them of the assistance available. At this stage potentially excess employees will be able to discuss their situation and options with management, with this period not exceeding one month.

- 9.10 During the discussion period, the Secretary may invite employees who are not potentially excess to express interest in voluntary redundancy where this would facilitate the redeployment of an employee who is potentially excess. An employee will not be made redundant voluntarily without Secretary approval.
- 9.11 The discussion period may be shortened by agreement with the employee.

VOLUNTARY REDUNDANCY

- 9.12 By the end of the one month discussion period, the Secretary may formally offer a voluntary redundancy to the employee.
- 9.13 Excess employees will only be offered a voluntary redundancy once during the redundancy process.
- 9.14 Where a formal offer of voluntary redundancy is made, employees will have one month to both consider the offer and advise the department that they are either accepting or rejecting it. Employees who fail to advise the department of their decision by the end of the consideration period will be assumed to have rejected the offer of voluntary redundancy.
- 9.15 An employee's employment will not be terminated on the basis that the employee is an excess employee within this consideration period unless the employee has requested this to occur.
- 9.16 Prior to or during the consideration period, the employee will be provided with an estimate of their severance pay and pay in lieu of notice and leave entitlements, relevant taxation rules and the availability of career and financial counselling in addition to being advised about obtaining further information relating to superannuation and relevant taxation rules.
- 9.17 The department will reimburse (on production of receipt/s) an employee considering voluntary redundancy up to \$500 (including GST) for career and/or accredited financial counselling.
- 9.18 Employees not accepting an offer of voluntary redundancy will be covered by clauses 9.30–9.42 below.

Redundancy benefit

- 9.19 An employee who elects for retrenchment with a redundancy benefit and whose employment is terminated by the Secretary under section 29 of the *Public Service Act 1999* on the grounds that they are excess to requirements, is entitled to payment of a redundancy benefit of an amount equal of two weeks' salary for each completed year of continuous service, plus a pro rata payment for completed months of service since the last completed year of service, subject to any minimum amount the employee is entitled to under the National Employment Standards.
- 9.20 The minimum payment will be four weeks' salary and the maximum will be 48 weeks' salary.
- 9.21 The redundancy benefit will be calculated on a pro rata basis for any period where an employee has worked part-time hours during their period of service and the employee has less than 24 years fulltime service, subject to any

minimum amount the employee is entitled to under the National Employment Standards.

9.22 For the purposes of calculating any payment, salary will include:

- the employee's salary at their ongoing (nominal) classification;
- temporary performance allowance payments where the employee has been receiving temporary performance allowance continuously for a period of at least 12 months immediately preceding the employee's notification of termination date; and
- an allowance that has been paid during periods of annual leave and on a regular basis and is not a reimbursement for expenses incurred or a payment for disabilities associated with the performance of a duty.

Calculating service for redundancy pay purposes

9.23 For the purpose of calculating redundancy pay entitlement (severance), service means:

- service in the department;
- Government service as defined in section 10 of the *Long Service Leave (Commonwealth Employees) Act 1976*;
- service with the Commonwealth (other than service with a joint Commonwealth-State body or a body corporate in which the Commonwealth does not have a controlling interest) which is recognised for long service leave purposes;
- service with the Australian Defence Forces;
- APS service immediately preceding deemed resignation under the repealed section 49 of the *Public Service Act 1922* if the service has not previously been recognised for redundancy pay purposes; and
- service in another organisation where:
 - an employee was transferred from the Australian Public Service to that organisation to give effect to an administrative re-arrangement; or
 - an employee engaged by that organisation on work within a function is appointed as a result of the transfer of that function to the Australian Public Service, and such service is recognised for long service leave purposes.

9.24 For earlier periods of service as defined above to count there must be no breaks between the periods except where:

- the break in service is less than one month and occurs where an offer of employment with the new employer was made and accepted by the employee before ceasing employment with the preceding employer; or
- the earlier period of service was with the Australian Public Service and ceased because the employee was deemed to have resigned from the Australian Public Service on marriage under the repealed section 49 of the *Public Service Act 1922*.

Service not to count as service for redundancy pay purposes

- 9.25 Absences from duty which do not count as service for long service leave purposes will not count as service for redundancy pay purposes.
- 9.26 Periods of service that will not count as service for redundancy pay purposes are periods of service that ceased by way of:
- termination under section 29 of the *Public Service Act 1999*; or
 - prior to the commencement of the *Public Service Act 1999*, by way of redundancy; forfeiture of office, retirement on the grounds of invalidity, inefficiency or loss of qualifications; dismissal or termination of probationary appointment for reasons of unsatisfactory service; or
 - voluntary retirement at or above the minimum retiring age applicable to the employee; or
 - payment of a redundancy benefit or a similar payment or an employer-financed retirement benefit.

Period of notice – termination with a voluntary redundancy

- 9.27 Employees over 45 years of age with at least two years continuous service will be given five weeks' notice. All other employees will be given four weeks' notice.
- 9.28 If an employee requests, and the Secretary agrees, that their employment be terminated within this notice period, they will be paid compensation for the unexpired portion of the notice period equal to the hours they would have worked during the notice period had their employment not been terminated.
- 9.29 The Secretary will approve reasonable time off with full pay for the employee to attend necessary employment interviews from the start of the notice period. Where expenses to attend interviews are not met by the prospective employer, the Secretary will reimburse agreed reasonable travel and incidental expenses.

INVOLUNTARY REDUNDANCY, RETENTION, REDEPLOYMENT AND REDUCTION

Retention period

- 9.30 An excess employee who does not agree to be retrenched with the payment of a redundancy benefit will be entitled to the following period of retention, commencing from the date one month after the employee received their offer of voluntary redundancy:
- 13 months where the employee has 20 or more years of service or is over 45 years of age; or
 - seven months for all other employees.
- 9.31 If an employee is entitled to a redundancy payment under the National Employment Standards, the retention period at clause 9.30 will be reduced by the number of weeks redundancy pay that the employee will be entitled to under the National Employment Standards on termination, as at the expiration of the retention period (as adjusted by this clause).

- 9.32 The retention period will not be extended by periods of leave taken by the excess employee unless, after considering the circumstances of the individual case, the Secretary deems an extension as a result of a period of leave taken to be reasonable.
- 9.33 Where the Secretary is satisfied that there is insufficient productive work available for the employee during the remainder of the retention period and that there are no reasonable redeployment prospects in the Australian Public Service:
- the Secretary can terminate the employee's employment under section 29 of the *Public Service Act 1999*; and
 - upon termination, the employee will be paid a lump sum comprising:
 - the balance of the retention period (as shortened for the National Employment Standards under clause 9.31) and this payment will be taken to include the payment in lieu of notice of termination of employment, plus
 - the employee's National Employment Standards entitlement to redundancy pay.

Redeployment

- 9.34 Employees on a retention period will be considered in isolation from and not in competition with other applicants when seeking assignment to another position within the department.
- 9.35 During the retention period, the Secretary:
- will take all reasonable steps to find alternative employment for the excess employee; and/or
 - may reduce the excess employee's classification with the appropriate notice in order to secure them alternative employment, subject to the conditions set out in clauses 9.38 and 9.39 below.
- 9.36 During the retention period the employee will:
- take reasonable steps to find alternative employment; and
 - actively participate in learning and development activities, trial placements or other agreed arrangements to assist in obtaining a permanent placement.
- 9.37 Excess employees are entitled to necessary leave with pay and assistance in meeting reasonable travel and incidental expenses when seeking alternative employment, where these are not met by the prospective employer.

Reduction in classification

- 9.38 Where the Secretary proposes to reduce an excess employee's classification as a means of securing alternative employment, the employee will be given four weeks' notice or, if over 45 years of age with at least five years' continuous service, will be given five weeks' notice.
- 9.39 If reduction occurs before the end of the retention period, the employee will receive payments to maintain the employee's salary level for the balance of the retention period.

Period of notice – termination of the retention period

- 9.40 An excess employee's employment will be terminated under section 29 of the *Public Service Act 1999* at the end of their retention period.
- 9.41 Where an excess employee's employment is to be terminated they will be given four weeks' notice. Employees over 45 years of age with at least two years' continuous service will be given five weeks' notice. This notice period will, as far as practicable, be concurrent with the employee's retention period.
- 9.42 If an employee's employment is terminated within this notice period, they will be paid compensation for the unexpired portion of the notice period equal to the hours they would have worked during the notice period had their employment not been terminated.

A representative requested by an employee to act in this capacity may include a union workplace delegate, an elected representative, or a work colleague. The department and the employee's nominated representative will deal with each other in good faith.

- a) An employee must continue to perform their work as they would normally unless they have a reasonable concern about imminent risk to their health or safety; and
 - b) An employee must comply with a direction given by the Department to perform other available work at the same workplace, or at another workplace, unless:
