

APY Community consultations 8-17 May – summary and key theme:

- s22 - irrelevant information
-
-
-
-
-
- **Income Management** – IM received a varying response during consultations. While some believed IM to be an effective tool in family budgeting, others perceived a direct correlation between IM and the Northern Territory Emergency Response. More generally, many questioned the shared IM / RPA consultation format and believed this approach resulted in community confusion.
