Hi Jacqui

I'm so sorry that we haven't managed to connect ^{s47F - personal privacy}

Re the invoice for CFOS – I tracked that down and it is being processed. Sorry for the delay.

Re getting expert advice from a group from ASFAR/AARC re Eligible Interventions table – have you been able to discuss this with the others and are you able to provide us with an indication of an hourly rate or other way of accounting for your time/proposal for how you see it working?

Re the booklet – can you send a word version to Thomise Mudford and she can provide further feedback. I know we originally hoped to have the booklet out by early April but staffing issues at our end got in the way of making our contributions in time. Apologies for that.

As I mentioned in the phone message/s Leanne Merrett will be in touch about a workshop about Early Intervention Research Priorities.

Jenny and Thomise may be able to help with any questions. ^{s47F - personal privacy}

Regards
