Report on the Financial Report

We have audited the accompanying financial report, being a special purpose financial report, of Brewarrina Business Co-Operative Ltd which comprises the balance sheet as at 30 June 2010, and the income statement, statement of changes in equity and cash flow statement for the year then ended, a summary of significant accounting policies and other explanatory notes and the directors' declaration.

Directors' Responsibility for the Financial Report

The directors of the co-operative are responsible for the preparation and fair presentation of the financial report and have determined that the accounting policies described in Note 1 to the financial statements, which form part of the financial report, are appropriate to meet the financial reporting requirements of the company's constitution and are appropriate to meet the needs of the members. The directors' responsibility includes designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditors' Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. No opinion is expressed as to whether the accounting policies used, as described in Note 1, are appropriate to meet the needs of the members. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

The financial report has been prepared for distribution to members for the purpose of fulfilling the directors' financial reporting under the company's constitution. We disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of Australian professional ethical pronouncements.

Qualified Auditors' Opinion

Our Audit procedures could not verify all debtor balances recorded by the Co-operative. A large amount of these debtors are more than 12 months old at the date of this audit report, and no evidence is available that suggests that they will be received by the organisation. This creates a situation whereby a material adjustment may need to be made to the reports, and this would have a considerably adverse effect on the operating result reported by the Co-Operative.

As well as the profit adjustment, any debtors, above the amount of \$39053, that are deemed to be non-receivable will reduce the current assets of the Co-Operative to a level that is below that of the current liabilities at the reporting date. There are 3 debtors that could individually have this effect on the organisation, namely;

s22 - irrelevant information \$44,305,

s22 - irrelevant information \$46,649.64 ,and

s22 - irrelevant information \$55,000.

Any combination of smaller debtors that are deemed to be bad would also create a net liability position for the Co-operative. This consideration, as well as the recent trading results, indicates the existence of a material uncertainty which may cast significant doubt on the Co-operative's ability to continue as a going concern. The Financial report (and notes thereto) does not disclose this fact.

In our opinion, except for the effects of such adjustments, if any, as might have been determined if accurate debtor information was available, the financial report presents fairly, the financial position of Brewarrina Business Co-Operative Ltd as of 30 June 2010 and of its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements.
