Dear Ms Buchanan

Indigenous Land Corporation (ILC)

I refer to a letter dated 21 March 2012 signed on your behalf addressed to Mr David Baffsky at his Ariadne Australia Ltd address regarding discussion of the membership of ~~audit committee membership at a recent meeting of the Indigenous Land Corporation the~~ (ILC) Audit and Risk Management Committee ~~at its most recent meeting~~.

As you are no doubt aware Director Baffsky is currently the Chair of the ILC Audit and Risk Management Committee, whilst Director Sam Jeffries is also a committee member. The other external independent member of the committee is Mr. Ian Ferrier from the chartered accountants, BRI Ferrier.

In October last year, four new members were appointed to the ILC Board including myself as ~~the new~~ Chair. The new members of the Board all have extensive experience in Indigenous affairs areas and an impressive range of professional skills ~~s.47E, s.47G~~
