Subject: FW: Mossman Gorge Centre: Opens tomorrow!

Dear Directors

I am pleased to advise that the Mossman Gorge Centre will open for business tomorrow, 20 June 2012, with its art gallery, gift shop, café, a bus service to transport visitors to and from Mossman Gorge, and the Dreamtime cultural walks.

It has a staff of 66, 8 of whom are trainees, commencing work in this new tourism business. Of the 66 employees, 60 are Indigenous representing 90% of the total workforce at the commencement of operations. These figures exceed the initial targets of 45 Indigenous employees and 80% Indigenous workforce at the time of opening for business.

Planning for an official opening ceremony for 1 August 2012 is underway. To date, Martin Ferguson AM MP, Minister for Tourism has confirmed his attendance and we awaiting confirmation that Jenny Macklin MP, Minister for Families, Communities Services and Indigenous Affairs, is also able to attend.

Please find below the website link.

Regards

David
