Partnership Priorities Committee

Date: 12 December 2025

The Partnership Priorities Committee (Committee) met for the fifth time in 2025 to discuss the following matters.

Partnering with Business

The Committee discussed opportunities to build more productive partnerships with business, including insights from the Department of Industry, Science and Resources's work on place-based engagement, including in the Hunter region.

First Nations Economic Partnership – Annual Workplan

The Committee received an update on the First Nations Economic Partnership, which was established in September 2025. The Committee and First Nations Partners discussed the Economic Partnership's 2025–26 Annual Workplan.
